8. Any member who is a state employee and receives temporary total disability benefits during the period of absence with a participating employer due to a work-related injury or illness incurred while engaged in a governmental function for said participating employer pursuant to the Workers' Compensation Act shall receive credit for participating service during said period of absence subject to the following requirements:

- a. the member was employed by the participating employer immediately prior to and during the period of absence,
- b. the member must notify the System in writing not later than four (4) months after the member's return to his or her job duties with the participating employer, or termination of employment with the participating employer, or termination of the temporary total disability benefits, whichever is earlier, of the member's desire to receive participating service credit for the period of absence,
- c. the participating employer must certify to the System in writing the dates during which temporary total disability benefits payments were paid to the member, and

- d. the member and the participating employer shall each pay their respective contributions required for the period of absence without interest within sixty (60) days of invoicing by the System, or with interest of seven and one-half percent (7 1/2%) compounded annually if paid after said sixty (60) days.

1. A member shall receive credit for participating service with a participating employer in accordance with the rules and regulations established by the Board; provided, however, that a member who is not a full-time employee shall receive prorated credit for actual hours worked;

2. Leaves of absence shall not count as a break in continuous employment provided the member leaves his or her accumulated contribution on deposit with the fund; however, the leaves of absence shall not be credited except that involuntary furloughs established by Office of Personnel Management rules ~~shall be credited, as well as,~~ involuntary furloughs of employees of a district attorney conducted in substantial compliance with the rules of the Office of Personnel Management as certified by the District Attorneys Council, involuntary furloughs of employees pursuant to a furlough plan adopted by the President Pro Tempore of the Senate or the Speaker of the House of Representatives as authorized in Section 840-5.1 of this title and involuntary furloughs of employees authorized by the Oklahoma Supreme Court shall be credited;

3. Any member who has served in the Armed Forces of the United States, as defined in paragraph (23) of Section 902 of this title, shall be granted participating service for those periods of active military service during which he or she was a war veteran provided this service is immediately preceded by a period of employment with a participating employer and is followed by return to employment as an employee with the same or another participating employer within ninety (90) days immediately following discharge from such military service provided the member leaves his or her accumulated contributions on deposit with the fund;

4. A period of total disability under the System immediately followed by employment with a participating employer, shall not count as a break in continuous employment; provided, that such periods while not employed shall not be credited except that involuntary furloughs established by Office of Personnel Management Rule 6.13, shall be credited;

5. Termination of employment with a participating employer followed by employment with the same or another participating employer within four (4) calendar months shall not constitute a break in continuous employment; provided, that such period while not employed shall not be credited as participating service;

6. Provided, however, that all employee contributions required by this act made by employees prior to June 30, 1977, will entitle the employee to additional years of participating service in accordance with the following schedule.

Employee accumulated contributions:

More than \$1.00 up to \$500	= 1 year participating service
More than \$500 up to \$1,000	= 2 years participating service

7. The total participating service credit of a member who retires or terminates employment and elects a vested benefit shall include not to exceed one hundred thirty (130) days of unused sick leave accumulated subsequent to August 1, 1959, during the member's

employment with any participating employer. Such credit shall be added in terms of whole months. Twenty (20) days of unused sick leave shall equal one (1) month for purposes of participating service credit. If unused sick leave entitles a member to an additional year of service credit, the member's employer shall reimburse the System for the cost of funding the additional reserve. Each participating employer shall provide the System with adequate and timely information necessary to determine additional benefits and its cost under this paragraph. This paragraph shall apply to members retiring or vesting on or after July 1, 1984.

C. In determining the number of years of credited service, a fractional year of six (6) months or more shall be considered as one (1) year, and less than six (6) months shall be disregarded.

D. A member may receive credit for those years of credited service accumulated by the member while a member of the Oklahoma Firefighters Pension and Retirement System, the Oklahoma Police Pension and Retirement System, the Uniform Retirement System for Justices and Judges, the Oklahoma Law Enforcement Retirement System, or the Teachers' Retirement System of Oklahoma, if the member is not receiving or eligible to receive retirement credit or benefits from said service in any other public retirement system. To receive the service credit, the member shall pay the amount determined by the Board pursuant to Section 913.5 of this title.

E. A member may receive credit for those years of service accumulated by the member as an elected official if the member is not receiving or eligible to receive retirement credit or benefits from said service in any public retirement system. Prior to January 1, 1991, to receive the service credit, the member shall pay to the Board for each year of service purchased pursuant to this subsection a sum equal to the employee and employer contribution rate that would have been applicable to the member as determined by the Board and interest of not to exceed five percent (5%), and effective January 1, 1991, to receive the service credit, the member shall pay the amount determined by the Board pursuant to Section 913.5 of this title.

Notwithstanding any provision of this plan to the contrary, contributions, benefits and service credit with respect to qualified military service will be allowed in accordance with Section 414(u) of the federal Internal Revenue Code.

G. 1. An active member of the Oklahoma Public Employees Retirement System may receive credit for those years of service accumulated by the member while a member of the Teachers' Retirement System of Oklahoma if:

- a. the member is an active member of the Oklahoma Public Employees Retirement System, and
- b. the member provides notice to the Teachers' Retirement System of Oklahoma and the Oklahoma Public Employees Retirement System of the member's election to transfer said retirement credit. The notice shall include a list of the years to be transferred, and
- c. the member is not receiving or eligible to receive retirement credit or benefits from said service in any other public retirement system, notwithstanding the years of service sought to be transferred under this subsection.

Members electing to take advantage of the transfer authorized by this subsection who are receiving or eligible to receive retirement credit or benefits from said service in any other public retirement system shall have all service credit with the Teachers' Retirement System of Oklahoma canceled which is not transferred to the Oklahoma Public Employees Retirement System or used as a cash offset in such a transfer pursuant to subparagraph d of paragraph 2 of this subsection. Service credit transferred to the Teachers' Retirement System of Oklahoma under this subsection shall also be canceled with the Oklahoma Public Employees Retirement System.

2. For purposes of this subsection, the "sending system" shall mean the Teachers' Retirement System of Oklahoma. The "receiving system" shall mean the Oklahoma Public Employees Retirement System.

a. Within thirty (30) days notification of an intent to transfer is received by the sending system, the sending system shall, according to its own rules and regulations:

- (1) for members who have vested with the sending system, determine the present value of the member's earned benefits attributable to the years of service sought to be transferred, discounted according to the member's age at the time of transfer and computed as of the earliest age at which the member would be able to retire. Said computation shall assume an unreduced benefit and be computed using interest and mortality assumptions consistent with the actuarial assumptions adopted by the Board of Trustees for purposes of preparing the annual actuarial evaluation but shall not make any projections regarding future salary. For vested employees the sending system shall use the product of this calculation for purposes of determining the transfer fee to be paid by the employee under subparagraph c of this paragraph so long as it is greater than the product of the calculation in this division, and
- (2) determine the sum of the employee and employer contributions applicable to the years of service sought to be transferred plus interest consistent with the actuarial assumptions adopted by the Board of Trustees for purposes of preparing the annual actuarial evaluation. For all nonvested members, and for vested members if the product of this calculation is greater than the product of the calculation in division (1) of this subparagraph, the sending system shall use the product of this calculation for purposes of determining the amount to be transferred by the

sending system under subparagraph c of this paragraph and any transfer fee to be paid by the members under subparagraph d of this paragraph.

- b. Within thirty (30) days after notification of an intent to transfer is received by the receiving system, the receiving system shall determine, according to the system's own rules and regulations, the present value of the member's incremental projected benefits discounted according to the member's age at the time of the transfer. Incremental projected benefits shall be the difference between the projected benefit said member would receive without transferring the service credit and the projected benefit after transfer of service credit computed as of the earliest age at which the member would be able to retire. Said computation shall assume an unreduced benefit and be computed using interest, salary projections and mortality assumptions consistent with the actuarial assumptions adopted by the Board of Trustees for purposes of preparing the annual actuarial evaluation.
- c. The sending system shall, within sixty (60) days from the date notification of an intent to transfer is received by the sending system, transfer to the receiving system the amount determined in subparagraph a of this paragraph. Except, if the cost under subparagraph a of this paragraph for the same years of service to the sending system is greater than the actuarial value of the incremental benefit in the receiving system, as established in subparagraph b of this paragraph, the sending system shall send the receiving system an amount equal to the actuarial value of the incremental projected benefit in the receiving system.
- d. In order to receive the credit provided for in paragraph 1 of this subsection, if the cost of the actuarial value of the incremental benefit to the receiving system is greater than the cost as calculated under subparagraph a of this paragraph for

the same years of service to the sending system as established in subparagraphs a and b of this paragraph, the employee shall elect to:

- (1) pay any difference to receive full credit for the years sought to be transferred, or
- (2) receive prorated service credit for only the amount received from the Teachers' Retirement System of Oklahoma pursuant to this subsection.

Such an election shall be made in writing, filed with the System prior to receiving the credit provided for in paragraph 1 of this subsection, and shall be irrevocable.

3. Within sixty (60) days of successfully completing all of the requirements for transfer under this subsection, the sending system shall pay the receiving system any amount due under this subsection. Within sixty (60) days of successfully completing all of the requirements for transfer under this subsection, the member shall pay the receiving system any amount due under this subsection. In the event that the member is unable to pay the transfer fee provided for in this subsection by the due date, the Board of Trustees of the receiving system shall permit the member to amortize the transfer fee over a period not to exceed sixty (60) months. Said payments shall be made by payroll deductions unless the Board of Trustees permits an alternate payment source. The amortization shall include interest in an amount not to exceed the actuarially assumed interest rate adopted by the Board of Trustees for investment earnings each year. Any member who ceases to make payment, terminates, retires or dies before completing the payments provided for in this section shall receive prorated service credit for only those payments made, unless the unpaid balance is paid by said member, his or her estate or successor in interest within six (6) months after said member's death, termination of employment or retirement, provided no retirement benefits shall be payable until the unpaid balance is paid, unless said member or beneficiary affirmatively waives the additional six-month period in which to pay the unpaid balance.

4. Years of service transferred pursuant to this subsection shall be used both in determining the member's retirement benefit

and in determining the years of service for retirement and/or vesting purposes. Years of service rendered as a member of the Teachers' Retirement System of Oklahoma prior to July 1, 1992, if any, shall be deemed to be years of service rendered as a member of the Oklahoma Public Employees Retirement System prior to July 1, 1992, and shall qualify such person as a member of the Oklahoma Public Employees Retirement System before July 1, 1992.

5. Notwithstanding the requirements of Section 17-104 of Title 70 of the Oklahoma Statutes, members electing to take advantage of the transfer authorized by this subsection who have withdrawn their contributions from the sending system shall remit to the sending system the amount of the accumulated contributions the member has withdrawn plus simple interest of ten percent (10%) per annum prior to making said election or the election shall be deemed invalid and the transfer shall be canceled. If such an election is deemed invalid and the transfer is canceled, the accumulated contribution remitted to the sending system by the member who originally withdrew their contributions shall be returned to the member. The member's rights and obligations regarding any service credit reestablished in the sending system due to a failure to satisfy the requirements of this subsection shall be determined by the sending system in accordance with Section 17-101 et seq. of Title 70 of the Oklahoma Statutes.

6. If any member fails for any reason to satisfy the requirements of this subsection, the election to transfer retirement credit shall be void and of no effect, and any retirement credited as a result of this transfer shall be canceled. If such retirement credit is canceled, the years of canceled retirement credit which were unsuccessfully transferred to the receiving system from the sending system shall be reestablished in the sending system. The member's rights and obligations regarding any retirement credit reestablished in the sending system due to a failure to satisfy the requirements of this subsection shall be determined by the sending system in accordance with Section 17-101 et seq. of Title 70 of the Oklahoma Statutes.

7. The Board of Trustees shall promulgate such rules as are necessary to implement the provisions of this subsection.

H. 1. A member of the Teachers' Retirement System of Oklahoma whose last service with the Teachers' Retirement System of Oklahoma was with an entity or institution within The Oklahoma State System of Higher Education, State Board of Education, State Board of Career and Technology Education, Oklahoma Department of Career and Technology Education, Oklahoma School of Science and Mathematics, Oklahoma Center for the Advancement of Science and Technology, State Department of Rehabilitation Services, Oklahoma State Regents for Higher Education, Department of Corrections, State Department of Education, Oklahoma Board of Private Vocational Schools, Board of Regents of Oklahoma Colleges, Oklahoma Student Loan Authority, or the Teachers' Retirement System of Oklahoma, may elect to receive credit for those years of service accumulated by the member in the Teachers' Retirement System of Oklahoma, pursuant to this subsection. A member shall be eligible to elect to transfer credit for such years of service from the Teachers' Retirement System of Oklahoma to the Oklahoma Public Employees Retirement System if:

- a. the member is an active member of the Oklahoma Public Employees Retirement System,
- b. the member provides notice to the Teachers' Retirement System of Oklahoma and the Oklahoma Public Employees Retirement System of the member's election to transfer such retirement credit. The notice shall include a list of the years to be transferred, and
- c. the member is not receiving or eligible to receive retirement credit or benefits from such service in any other public retirement system, notwithstanding the years of service sought to be transferred under this subsection.

Members electing to take advantage of the transfer authorized by this subsection shall have all service credit with the Teachers' Retirement System of Oklahoma canceled which is transferred to the Oklahoma Public Employees Retirement System.

2. For purposes of this subsection, the "sending system" shall mean the Teachers' Retirement System of Oklahoma. The "receiving system" shall mean the Oklahoma Public Employees Retirement System.

Within thirty (30) days after notification of an intent to transfer is received by the sending system, the sending system shall, according to its own rules, send to the receiving system all employer and employee contributions made on behalf of the member which were made to the sending system plus an additional amount of earnings based on the actuarial assumed rate of the sending system. Upon receipt of these contributions by the receiving system, the receiving system shall give credit to the transferring member in an amount equal to the years of service accrued in the sending system.

3. If the transferring member's normal retirement date calculation is based upon the sum of the member's age and number of years of credited service totaling eighty (80) in the sending system, then the member shall retain such calculation in the receiving system.

4. The Board of Trustees shall promulgate such rules as are necessary to implement the provisions of this subsection.

I. A member of the System in the employment of the Governor, the State Senate or the House of Representatives, on or after July 1, 1999, may make an election prior to December 31, 2000, which shall be irrevocable and on a form prescribed for such purpose by the System, to continue participation in the System upon becoming employed by a participating employer of the Teachers' Retirement System of Oklahoma.
