

ENROLLED SENATE
BILL NO. 1692

By: Myers of the Senate

and

Watson of the House

An Act relating to the Oklahoma Clean Energy Independence Commission; amending Section 1, Chapter 173, O.S.L. 2009, which relates to the Oklahoma Clean Energy Independence Commission; providing for continuation of members; providing for vacancy appointments; modifying termination date for Commission activities; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY Section 1, Chapter 173, O.S.L. 2009, is amended to read as follows:

Section 1. A. The Legislature hereby finds and declares that the United States is suffering greatly in the midst of an overall energy crisis and immediate steps should be taken to support federal efforts to address the energy needs of the citizens of this country. While the State of Oklahoma alone cannot provide the resources required to conduct a project on the scale necessary to solve every aspect of this impending crisis, it is possible for our state to gather together a dedicated group of Oklahomans with experience in a variety of energy-related industries and utilize our state's resources to make a significant contribution to the nation's efforts to achieve a goal of clean energy independence within the next five (5) years.

B. To implement the goals of this act, the Oklahoma Clean Energy Independence Commission is hereby created. The Secretary of

Energy shall determine the number of members to be appointed to the Commission, and one-third (1/3) of the total number shall be appointed by the Governor, one-third (1/3) by the President Pro Tempore of the Senate and one-third (1/3) by the Speaker of the House of Representatives. Members appointed to the Commission shall include, but not be limited to, representatives of:

1. Governmental agencies with energy-related responsibilities;
2. Private energy industries, including traditional and alternative technologies; and
3. Public and private state universities with an interest in energy technologies.

The Commission shall be chaired by the Secretary of Energy, or a designee appointed by the Governor. Members appointed prior to the effective date of this act shall continue to serve until the activities of the Commission are terminated. Vacancies on the Commission shall be filled by the appointing authority.

C. Members of the Commission shall be appointed no later than July 1, 2009, and activities of the Commission may continue until ~~December 1, 2010~~ December 31, 2011. Reports may be issued as the Secretary of Energy deems necessary and appropriate. The Secretary may seek assistance for any services from state agencies or governmental entities and donations of money or other resources may be accepted from any person or private entity to assist the operations of the Commission, provided such donations are otherwise allowed by law.

D. Members of the Commission shall serve without compensation for their duties, but may receive reimbursement for necessary and actual travel costs pursuant to the State Travel Reimbursement Act. Such expenses shall be paid by the Office of the Governor.

SECTION 2. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.

Passed the Senate the 25th day of February, 2010.

Presiding Officer of the Senate

Passed the House of Representatives the 12th day of April, 2010.
