14 and hold fixtures, facilities and real estate, including but not limited to storage facilities,  
15 facilities for civic or public use or facilities for the benefit of employees of the bank, bank  
16 customers or the community. No banking business of any type shall be engaged in or  
17 conducted at such facilities.

19 any portion of its banking house or premises not utilized in the conduct of its banking  
20 operations.

1           4. Upon prior written approval of the Commissioner, a bank or trust company may  
2 purchase real estate at a location where the bank or trust company could lawfully  
3 establish an office.

4           5. A state bank may purchase or construct a municipal building, such as a school  
5 building, or other similar public facility and, as holder of legal title, lease the same to a  
6 municipality or other public authority having resources sufficient to make payment of all  
7 rentals as they become due. The lease agreement shall provide that upon its expiration  
8 the lessee will become owner of the building or facility.

9           6. Subject to prior approval by the Commissioner and such conditions and  
10 limitations as the Commissioner shall prescribe, which shall be consistent with any rules  
11 the State Banking Board may prescribe, a state bank may purchase real estate for the

14           B. 1. A bank or trust company may purchase and hold real estate conveyed to it in  
15 satisfaction of debts previously contracted in good faith in the course of business.

16           2. All such real estate shall be accounted for individually at the lower of the  
17 recorded investment in the loan satisfied or its fair market value on the date of the

5 investment.

6 D. A bank or trust company may acquire and hold real estate such as it shall  
7 purchase at sale under judgment, decree or mortgage foreclosure, under securities held  
8 by it.

9 E. 1. Without the written approval of the Commissioner, real estate acquired in  
10 the cases contemplated in subsections B and D of this section may be held for an initial  
11 holding period of no longer than five (5) years from the date of acquisition. However, a  
12 bank may apply, during the first two (2) years in which the real estate is acquired by the

19 period of up to five (5) years may be granted upon the written approval of the  
20 Commissioner.

21 3. A bank or trust company must begin to write down the book value for each  
22 property held as other real estate owned a minimum of ten percent (10%) each year

1 during the additional extension period. The bank or trust company shall then be required  
2 to write off the remaining balance of the other real-estate-owned property at the end of  
3 the additional extension period.

4 4. Banks or trust companies shall be required to keep current appraisals on file to  
5 substantiate their other real-estate-owned property book values. A full appraisal or a  
6 supplement which updates a full appraisal, not more than twelve (12) months old, shall  
7 be considered current for purposes of this paragraph. Provided, however, if a bank has  
8 begun writing down the book value of the property pursuant to paragraph 3 of this  
9 subsection, the bank need not update an appraisal if the book value of the property is  
10 fifty percent (50%) or less than the bank's most recent appraised value.

11 5. Unless a bank has applied for approval by the Commissioner during the first two  
12 (2) years after the real estate is acquired, to retain such real estate for the purposes  
13 described in paragraph 6 of subsection A of this section, a bank shall also continue efforts  
14 to dispose of the real estate at the earliest possible opportunity.

15 6. At the conclusion of the additional extension period, real estate must be disposed  
16 of or, if approved by the Commissioner, must be transferred to a subsidiary company of  
17 the bank.

18 7. For purposes of this section, ownership interests in oil, gas and other subsurface  
19 mineral rights other than mere leasehold interests shall be considered real estate.  
20 However, notwithstanding the holding limitation of this section or any other provision  
21 contained herein, any bank or trust company which on October 15, 1982, held, directly or  
22 indirectly, any oil, gas and other subsurface mineral rights, other than mere leasehold

1 interests, that since December 31, 1979, had not been valued on the books of such bank  
2 or trust company for more than a nominal amount, may continue to hold such subsurface  
3 rights or interest without limitation.

4 F. Any bank or trust company organized under the laws of this state may invest its  
5 funds in the stocks, bonds, debentures or other such obligations of any corporation  
6 holding the premises of such bank or trust company, and may make loans to or upon the  
7 security of any such corporation, but the aggregate of all such investments and loans  
8 together with the investments provided for in subsection A of this section shall not  
9 exceed its capital. This limitation may be exceeded upon the written approval of the  
10 Commissioner.

11 G. Every conveyance of real estate and every lease thereof made by a bank or trust  
12 company shall have the name of such bank or trust company subscribed thereto, either  
13 by an attorney-in-fact, president, vice-president, chairperson or vice-chairperson of the  
14 board of directors of such corporation.

15 H. Nothing in this section shall preclude or limit in any manner investments by a

13 order staying the liquidation or unless the Board directs the Commissioner to tender to  
14 the Federal Deposit Insurance Corporation the appointment as liquidator under this  
15 section, the Commissioner shall proceed to liquidate the institution, upon first providing  
16 a bond executed by some surety company authorized to do business in this state, running  
17 to the people of the State of Oklahoma, which meets with the approval of the Board, for  
18 the faithful discharge of the duties of the Commissioner, in connection with such  
19 liquidation and the accounting for all monies coming into the hands of the Commissioner.

6 careful investigation of its affairs, is of the opinion that its stockholders have complied  
7 with the laws, that the bank's credit and funds are in all respects repaired, and its  
8 reserve restored or sufficiently substituted, and that it should be permitted again to  
9 reopen for business; whereupon the Commissioner is authorized to issue written  
10 permission for reopening of the bank in the same manner as permission to do business is  
11 granted after the incorporation thereof, and thereupon the bank may be reopened to do a  
12 general banking business.

13           4. If the Commissioner determines to reorganize the bank or if the Board, after  
14 staying its liquidation, orders such reorganization, the Commissioner, after according a

11 Corporation and pledge some or all of the assets of the closed bank as security for such  
12 borrowing or the Commissioner may sell some or all of the assets of the closed bank to  
13 the Federal Deposit Insurance Corporation. When notice of possession has not been filed  
14 in the district court, the provisions of this paragraph are satisfied by an order of the  
15 Board approving the actions of the Commissioner and an order of the Board directing the  
16 appointment of the Federal Deposit Insurance Corporation as liquidator.

17           6. When the Commissioner has taken possession of a state bank for the purpose of  
18 liquidation, neither the ten-day periods provided by paragraphs 1 and 2 of this

20 Commissioner's action shall operate to defer, delay, impede or prevent the payment by  
21 the Federal Deposit Insurance Corporation of the insured deposits in the bank.

1           The Commissioner shall make available to the Federal Deposit Insurance  
2 Corporation such facilities in or of the bank and such books, records and other relevant  
3 data of the bank as may be necessary or appropriate to enable the Federal Deposit  
4 Insurance Corporation to pay the insured deposits as aforesaid, and the Federal Deposit  
5 Insurance Corporation, its directors, officers, agents and employees, and the  
6 Commissioner, the agents and employees of the Commissioner, shall be free from any  
7 liability to the bank, its directors, stockholders and creditors, for any action taken in  
8 connection herewith.

13           a.       any lien or attachment, other than an attorney's or mechanic's lien,  
14                   obtained upon any asset of the bank during the Commissioner's  
15                   possession or within four (4) months prior to commencement thereof  
16                   shall be vacated and voided except liens created by the Commissioner  
17                   while in possession, and

18           b.       any transfer of an asset of the bank made after or in contemplation of  
19                   its insolvency with intent to effect a preference shall be voided.

20           2. The provisions of this subsection shall not be construed to authorize the  
21 Commissioner to vacate or void any lien or attachment obtained by a Federal Reserve

2 Federal Reserve Bank.

3 E. Power to borrow money and pledge bank's assets. With the approval of the
