1 SECTION 9. NEW LAW A new section of law to be codified in the Oklahoma
2 Statutes as Section 311A.7 of Title 36, unless there is created a duplication in
3 numbering, reads as follows:
4 A. The Insurance Commissioner shall not recognize a person or firm as a qualified
5 independent certified public accountant if the person or firm:
6 1. Is not in good standing with the AICPA and in all states in which the accountant
7 is licensed to practice, or, for a Canadian or British company, that is not a chartered
8 accountant; or
9 2. Has either directly or indirectly entered into an agreement of indemnity or
10 release from liability, collectively referred to as indemnification, with respect to the audit
11 of the insurer.
12 B. Except as otherwise provided in the Oklahoma Annual Financial Report Act, the
13 Commissioner shall recognize an independent certified public accountant as qualified as
14 long as the accountant conforms to the standards of the profession, as contained in the
15 Code of Professional Ethics of the AICPA and Rules and Regulations and Code of Ethics
16 and Rules of Professional Conduct of the Oklahoma Board of Public Accountancy, or
17 similar code.
18 C. A qualified independent certified public accountant may enter into an agreement
19 with an insurer to have disputes relating to an audit resolved by mediation or
20 arbitration. However, in the event of a delinquency proceeding commenced against the
21 insurer under Article 19 of the Oklahoma Insurance Code, the mediation or arbitration
22 provisions shall operate at the option of the statutory successor.

D. 1. The lead or coordinating audit partner having primary responsibility for the audit may not act in that capacity for more than five (5) consecutive years. The person shall be disqualified from acting in that or a similar capacity for the same company or its insurance subsidiaries or affiliates for a period of five (5) consecutive years. An insurer may make application to the Commissioner for relief from the above rotation requirement on the basis of unusual circumstances. This application should be made at least thirty (30) days before the end of the calendar year. The Commissioner may consider the following factors in determining if the relief should be granted:

a. number of partners, expertise of the partners, or the number of insurance clients in the currently registered firm,

b. premium volume of the insurer, or

c. number of jurisdictions in which the insurer transacts business.

2. The insurer shall file, with its annual statement filing, the approval for relief from paragraph 1 of this subsection with the states that it is licensed in or doing business in and with the NAIC. If the nondomestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format acceptable to the NAIC.

E. The Commissioner shall neither recognize as a qualified independent certified public accountant, nor accept an annual audited financial report, prepared in whole or in part by, a natural person who:

1. Has been convicted of fraud, bribery, a violation of the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. Sections 1961 to 1968, or any dishonest conduct or practices under federal or state law;

UNDERLINED language denotes Amendments to present Statutes.
BOLD FACE CAPITALIZED language denotes Committee Amendments.

2. Has been found to have violated the insurance laws of this state with respect to any previous reports submitted under the Oklahoma Annual Financial Report Act; or

3. Has demonstrated a pattern or practice of failing to detect or disclose material information in previous reports filed under the provisions of the Oklahoma Annual Financial Report Act.

F. The Commissioner may hold a hearing to determine whether an independent certified public accountant is qualified and, considering the evidence presented, may rule that the accountant is not qualified for purposes of expressing the opinion of the accountant on the financial statements in the annual audited financial report made pursuant to the Oklahoma Annual Financial Report Act and require the insurer to replace the accountant with another whose relationship with the insurer is qualified within the meaning of the Oklahoma Annual Financial Report Act.

G. 1. The Commissioner shall not recognize as a qualified independent certified public accountant, nor accept an annual audited financial report, prepared in whole or in part by an accountant who provides to an insurer, contemporaneously with the audit, the following non-audit services:

a. bookkeeping or other services related to the accounting records or financial statements of the insurer,

b. financial information systems design and implementation,

c. appraisal or valuation services, fairness opinions, or contribution-in-kind reports,

1 d. actuarially oriented advisory services involving the determination of
2 amounts recorded in the financial statements. The accountant may
3 assist an insurer in understanding the methods, assumptions, and
4 inputs used in the determination of amounts recorded in the financial
5 statement only if it is reasonable to conclude that the services provided
6 will not be subject to audit procedures during an audit of the financial
7 statements of the insurer. The actuary of an accountant may also
8 issue an actuarial opinion or certification on the reserves of an insurer
9 if the following conditions have been met:
10 (1) neither the accountant nor the actuary of the accountant has
11 performed any management functions or made any management
12 decisions,
13 (2) the insurer has competent personnel or engages a third-party
14 actuary to estimate the reserves for which management takes
15 responsibility, and
16 (3) the actuary of the accountant tests the reasonableness of the
17 reserves after the management of the insurer has determined
18 the amount of the reserves,
19 e. internal audit outsourcing services,
20 f. management functions or human resources,
21 g. broker or dealer, investment adviser, or investment banking services,
22 h. legal services or expert services unrelated to the audit, or

i. any other services that the Commissioner determines, by rule, are impermissible.

2. In general, the principles of independence with respect to services provided by the qualified independent certified public accountant are largely predicated on three basic principles, violations of which would impair the independence of the accountant. The principles are that the accountant cannot function in the role of management, cannot audit the own work of the accountant, and cannot serve in an advocacy role for the insurer.

H. Insurers having direct written and assumed premiums of less than One Hundred Million Dollars ($100,000,000.00) in any calendar year may request an exemption from paragraph 1 of subsection G of this section. The insurer shall file with the Commissioner a written statement discussing the reasons why the insurer should be exempt from these provisions. If the Commissioner finds, upon review of the statement, that compliance with the Oklahoma Annual Financial Report Act would constitute a financial or organizational hardship upon the insurer, an exemption may be granted.

I. A qualified independent certified public accountant who performs the audit may engage in other non-audit services, including tax services, that are not described in paragraph 1 of subsection G of this section or that do not conflict with paragraph 2 of subsection G of this section, only if the activity is approved in advance by the audit committee, in accordance with subsection J of this section.

J. All auditing services and non-audit services provided to an insurer by the qualified independent certified public accountant of the insurer shall be preapproved by

1 the audit committee. The preapproval requirement is waived with respect to non-audit
2 services if the insurer is a SOX Compliant Entity or a direct or indirect wholly-owned
3 subsidiary of a SOX Compliant entity or:
4 1. The aggregate amount of all such non-audit services provided to the insurer
5 constitutes not more than five percent (5%) of the total amount of fees paid by the insurer
6 to its qualified independent certified public accountant during the fiscal year in which
7 the non-audit services are provided;
8 2. The services were not recognized by the insurer at the time of the engagement to
9 be non-audit services; and
10 3. The services are promptly brought to the attention of the audit committee and
11 approved prior to the completion of the audit by the audit committee or by one or more
12 members of the audit committee who are the members of the board of directors to whom
13 authority to grant such approvals has been delegated by the audit committee.
14 K. The audit committee may delegate to one or more designated members of the
15 audit committee the authority to grant the preapprovals required by subsection J of this
16 section. The decisions of any member to whom this authority is delegated shall be
17 presented to the full audit committee at each of its scheduled meetings.
18 L. 1. The Commissioner shall not recognize an independent certified public
19 accountant as qualified for a particular insurer if a member of the board, president, chief
20 executive officer, controller, chief financial officer, chief accounting officer, or any person
21 serving in an equivalent position for that insurer, was employed by the independent
22 certified public accountant and participated in the audit of that insurer during the one-

year period preceding the date that the most current statutory opinion is due. This subsection shall only apply to partners and senior managers involved in the audit. An insurer may make application to the Commissioner for relief from the above requirement on the basis of unusual circumstances.

2. The insurer shall file, with its annual statement filing, the approval for relief from paragraph 1 of this subsection with the states that it is licensed in or doing business in and the NAIC. If the nondomestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format acceptable to the NAIC.

SECTION 10. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 311A.8 of Title 36, unless there is created a duplication in numbering, reads as follows:

An insurer may make written application to the Insurance Commissioner for approval to file audited consolidated or combined financial statements in lieu of separate annual audited financial statements if the insurer is part of a group of insurance companies that utilizes a pooling or one hundred percent (100%) reinsurance agreement that affects the solvency and integrity of the reserves of the insurer and the insurer cedes all of its direct and assumed business to the pool. In such cases, a columnar consolidating or combining worksheet shall be filed with the report, as follows:

1. Amounts shown on the consolidated or combined audited financial report shall be shown on the worksheet;

2. Amounts for each insurer subject to this section shall be stated separately;

4 5. A reconciliation shall be included of any differences between the amounts shown
5 in the individual insurer columns of the worksheet and comparable amounts shown on
6 the annual statements of the insurers.
7 SECTION 11. NEW LAW A new section of law to be codified in the Oklahoma
8 Statutes as Section 311A.9 of Title 36, unless there is created a duplication in
9 numbering, reads as follows:
10 Financial statements furnished pursuant to Section 7 of this act shall be examined
11 by the independent certified public accountant. The audit of the financial statements of
12 the insurer shall be conducted in accordance with generally accepted auditing standards.
13 In accordance with AU Section 319 of the Professional Standards of the AICPA,
14 Consideration of Internal Control in a Financial Statement Audit, the independent
15 certified public accountant should obtain an understanding of internal control sufficient
16 to plan the audit. To the extent required by AU 319, for those insurers required to file a
17 Management's Report of Internal Control over Financial Reporting pursuant to Section
18 18 of this act, the independent certified public accountant should consider, as that term
19 is defined in Statement on Auditing Standards (SAS) No. 102, Defining Professional

SECTION 12. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 311A.10 of Title 36, unless there is created a duplication in numbering, reads as follows:

A. The insurer required to furnish the annual audited financial report shall require the independent certified public accountant to report, in writing, within five (5) business days to the board of directors or its audit committee any determination by the independent certified public accountant that the insurer has materially misstated its financial condition as reported to the Insurance Commissioner as of the balance sheet date currently under audit or that the insurer does not meet the minimum capital and surplus requirement of the Oklahoma Insurance Code as of that date. An insurer that has received a report pursuant to this subsection shall forward a copy of the report to the Commissioner within five (5) business days of receipt of the report and shall provide the independent certified public accountant making the report with evidence of the report being furnished to the Commissioner. If the independent certified public accountant fails to receive the evidence within the required five (5) business day period, the independent certified public accountant shall furnish to the Commissioner a copy of its report within the next five (5) business days.

B. No independent certified public accountant shall be liable in any manner to any person for any statement made in connection with subsection A of this section if the statement is made in good faith in compliance with that subsection.

5 the AICPA.
6 SECTION 13. NEW LAW A new section of law to be codified in the Oklahoma
7 Statutes as Section 311A.11 of Title 36, unless there is created a duplication in

9 A. In addition to the annual audited financial report, each insurer shall furnish the
10 Insurance Commissioner with a written communication as to any unremediated material
11 weaknesses in its internal controls over financial reporting noted during the audit. Such
12 communication shall be prepared by the accountant within sixty (60) days after the filing

17 coincide with the audited financial report discussed in subsection A of Section 4 of this
18 act in the internal control over financial reporting of the insurer noted by the accountant

5 Statutes as Section 311A.12 of Title 36, unless there is created a duplication in
6 numbering, reads as follows:
7 The accountant shall furnish the insurer in connection with, and for inclusion in,

12 Board of Public Accountancy, or similar code;
13 2. The background and experience in general, and the experience in audits of
14 insurers of the staff assigned to the engagement and whether each is an independent
15 certified public accountant. Nothing within the Oklahoma Annual Financial Report Act
16 shall be construed as prohibiting the accountant from utilizing such staff as the
17 accountant deems appropriate where use is consistent with the standards prescribed by
18 generally accepted auditing standards;
19 3. That the accountant understands the annual audited financial report and the
20 opinion of the accountant thereon will be filed in compliance with the Oklahoma Annual
21 Financial Report Act and that the Insurance Commissioner will be relying on this
22 information in the monitoring and regulation of the financial position of insurers;

4 5. A representation that the accountant is properly licensed by an appropriate state
5 licensing authority and is a member in good standing in the AICPA; and
6 6. A representation that the accountant is in compliance with the requirements of
7 Section 9 of this act.
8 SECTION 15. NEW LAW A new section of law to be codified in the Oklahoma
9 Statutes as Section 311A.13 of Title 36, unless there is created a duplication in
10 numbering, reads as follows:
11 A. Workpapers are the records kept by the independent certified public accountant
12 of the procedures followed, the tests performed, the information obtained, and the
13 conclusions reached pertinent to the audit by the accountant of the financial statements
14 of an insurer. Workpapers, accordingly, may include audit planning documentation,

6 date of the audit report.
7 C. In the conduct of the aforementioned periodic review by the Insurance
8 Department examiners, it shall be agreed that photocopies of pertinent audit workpapers
9 may be made and retained by the Insurance Department. Such reviews by the Insurance
10 Department examiners shall be considered investigations and all working papers and

12 same confidentiality as other examination workpapers generated by the Insurance
13 Department pursuant to subsection F of Section 309.4 of Title 36 of the Oklahoma
14 Statutes.
15 SECTION 16. NEW LAW A new section of law to be codified in the Oklahoma

21 B. The audit committee shall be directly responsible for the appointment,
22 compensation, and oversight of the work of any accountant, including resolution of

1 disagreements between management and the accountant regarding financial reporting,
2 for the purpose of preparing or issuing the audited financial report or related work
3 pursuant to the Oklahoma Annual Financial Report Act. Each accountant shall report
4 directly to the audit committee.

5 C. Each member of the audit committee shall be a member of the board of directors
6 of the insurer or a member of the board of directors of an entity elected pursuant to
7 subsection F of this section and paragraph 3 of Section 5 of this act.

8 D. In order to be considered independent for purposes of this section, a member of
9 the audit committee may not, other than in the capacity as a member of the audit
10 committee, the board of directors, or any other board committee, accept any consulting,
11 advisory, or other compensatory fee from the entity or be an affiliated person of the
12 entity or subsidiary thereof. However, if law requires board participation by otherwise
13 non-independent members, that law shall prevail and such members may participate in
14 the audit committee and be designated as independent for audit committee purposes,
15 unless they are an officer or employee of the insurer or one of its affiliates.

16 E. If a member of the audit committee ceases to be independent for reasons outside
17 the reasonable control of the member, that person, with notice by the responsible entity
18 to the state, may remain an audit committee member of the responsible entity until the
19 earlier of the next annual meeting of the responsible entity or one year from the
20 occurrence of the event that caused the member to be no longer independent.

The election shall remain in effect for perpetuity, until rescinded.

G. 1. The audit committee shall require the accountant that performs for an insurer any audit required by the Oklahoma Annual Financial Report Act to timely report to the audit committee in accordance with the requirements of SAS 61, Communication with Audit Committees, or its replacement, including:

a. all significant accounting policies and material permitted practices,

b. all material alternative treatments of financial information within statutory accounting principles that have been discussed with management officials of the insurer, ramifications of the use of the alternative disclosures and treatments, and the treatment preferred by the accountant, and

c. other material written communications between the accountant and the management of the insurer, such as any management or schedule of unadjusted differences;

2. If an insurer is a member of an insurance holding company system, the reports required by paragraph 1 of this subsection may be provided to the audit committee on an aggregate basis for insurers in the holding company system, provided that any

4 Commissioner for a waiver from the requirements of this section based upon hardship.
5 The insurer shall file, with its annual statement filing, the approval for relief from this
6 section with the states that it is licensed in or doing business in and the NAIC. If the
7 nondomestic state accepts electronic filing with the NAIC, the insurer shall file the

5 result in rendering the financial statements of the insurer materially misleading include,
6 but are not limited to, actions taken at any time with respect to the professional

Section 3636. A. No policy insuring against loss resulting from liability imposed by law for bodily injury or death suffered by any person arising out of the ownership, maintenance or use of a motor vehicle shall be issued, delivered, renewed, or extended in this state with respect to a motor vehicle registered or principally garaged in this state unless the policy includes the coverage described in subsection B of this section.

B. The policy referred to in subsection A of this section shall provide coverage therein or supplemental thereto for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of uninsured motor vehicles and hit-and-run motor vehicles because of bodily injury, sickness or disease, including death resulting therefrom. Coverage shall be not less than the amounts or limits prescribed for bodily injury or death for a policy meeting the requirements of Section 7-204 of Title 47 of the Oklahoma Statutes, as the same may be hereafter amended; provided, however, that increased limits of liability shall be offered and purchased if desired, not to exceed the limits provided in the policy of bodily injury liability of the insured. The uninsured motorist coverage shall be upon a form approved by the Insurance Commissioner as otherwise provided in the Insurance Code and may provide that the parties to the contract shall, upon demand of either, submit their differences to arbitration; provided, that if agreement by arbitration is not reached within three (3) months from date of demand, the insured may sue the tort-feasor.

C. For the purposes of this coverage the term "uninsured motor vehicle" shall include an insured motor vehicle where the liability insurer thereof is unable to make payment with respect to the legal liability of its insured within the limits specified therein because of insolvency. For the purposes of this coverage the term "uninsured motor vehicle" shall also include an insured motor vehicle, the liability limits of which are less than the amount of the claim of the person or persons making such claim, regardless of the amount of coverage of either of the parties in relation to each other.

D. An insurer's insolvency protection shall be applicable only to accidents occurring during a policy period in which its insured's uninsured motorist coverage is in effect where the liability insurer of the tort-feasor becomes insolvent within one (1) year after such an accident. Nothing herein contained shall be construed to prevent any insurer from according insolvency protection under terms and conditions more favorable to its insured than is provided hereunder.

E. For purposes of this section, there is no coverage for any insured while occupying a motor vehicle owned by, or furnished or available for the regular use of the named insured, a resident spouse of the named insured, or a resident relative of the named insured, if such motor vehicle is not insured by a motor vehicle insurance policy.

F. In the event of payment to any person under the coverage required by this section and subject to the terms and conditions of such coverage, the insurer making such payment shall, to the extent thereof, be entitled to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of such person against any person or organization legally responsible for the bodily injury for which such payment is

made, including the proceeds recoverable from the assets of the insolvent insurer. Provided, however, with respect to payments made by reason of the coverage described in subsection C of this section, the insurer making such payment shall not be entitled to any right of recovery against such tort-feasor in excess of the proceeds recovered from the assets of the insolvent insurer of said tort-feasor. Provided further, that any payment made by the insured tort-feasor shall not reduce or be a credit against the total liability limits as provided in the insured's own uninsured motorist coverage. Provided further, that if a tentative agreement to settle for liability limits has been reached with an insured tort-feasor, written notice shall be given by certified mail to the uninsured motorist coverage insurer by its insured. Such written notice shall include:

1. Written documentation of pecuniary losses incurred, including copies of all medical bills; and

2. Written authorization or a court order to obtain reports from all employers and medical providers. Within sixty (60) days of receipt of this written notice, the uninsured motorist coverage insurer may substitute its payment to the insured for the tentative settlement amount. The uninsured motorist coverage insurer shall then be entitled to the insured's right of recovery to the extent of such payment and any settlement under the uninsured motorist coverage. If the uninsured motorist coverage insurer fails to pay the insured the amount of the tentative tort settlement within sixty (60) days, the uninsured motorist coverage insurer has no right to the proceeds of any settlement or judgment, as provided herein, for any amount paid under the uninsured motorist coverage.
