An Act relating to nuisances; amending 50 O.S. 2001, Section 1.1, which relates to agricultural activities; modifying definitions; prohibiting nuisance action against agricultural activities on certain lands; providing for established date of operation of agricultural activities on certain lands; providing for recovery of certain costs and fees in specific circumstance in actions for nuisance; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

1 SECTION 1. AMENDATORY 50 O.S. 2001, Section 1.1, is amended to read as
2 follows:
3 Section 1.1 A. As ~~defined~~ used in this act section:
4 1. "Agricultural activities" ~~shall include~~ includes, but is not be limited to, the
5 growing or raising of horticultural and viticultural crops, berries, poultry, livestock,
6 aquaculture, grain, mint, hay, dairy products and forestry activities. "Agricultural
7 activities" also includes improvements or expansion to the activities provided for in this
8 paragraph including, but not limited to, new technology, pens, barns, fences, and other
9 improvements designed for the sheltering, restriction, or feeding of animal or aquatic life.

1 for storage of produce or feed, or for storage or maintenance of implements. If the
2 expansion is part of the same operating facility, the expansion need not be contiguous;

3 2. "Farmland" ~~shall include~~ includes, but is not ~~be~~ limited to, land devoted
4 primarily to production of livestock or agricultural commodities; and

5 3. "Forestry activity" means any activity associated with the reforesting, growing,
6 managing, protecting and harvesting of timber, wood and forest products including, but
7 not limited to, forestry buildings and structures.

8 B. Agricultural activities conducted on farm or ranch land, if consistent with good
9 agricultural practices and established prior to nearby nonagricultural activities, are
10 presumed to be reasonable and do not constitute a nuisance unless the activity has a
11 substantial adverse affect on the public health and safety.

12 If that agricultural activity is undertaken in conformity with federal, state and local
13 laws and regulations, it is presumed to be good agricultural practice and not adversely
14 affecting the public health and safety.

15 C. No action for nuisance shall be brought against agricultural activities on farm or
16 ranch land which has lawfully been in operation for two (2) years or more prior to the
17 date of bringing the action. The established date of operation is the date on which an
18 agricultural activity on farm or ranch land commenced operation. If the physical
19 facilities of the agricultural activity or the farm or ranch are subsequently expanded or
20 new technology adopted, the established date of operation for each change is not a
21 separately and independently established date of operation and commencement of the

1 expanded activity does not divest the farm or ranch of a previously established date of
2 operation.

3 D. In any action for nuisance in which agricultural activities are alleged to be
4 nuisance, and which action is found to be frivolous by the court, the defendant shall
5 recover the aggregate amount of costs and expenses determined by the court to have been
6 reasonably incurred in connection with defending the action, together with a reasonable
7 amount for attorney fees.

8 E. This section does not relieve agricultural activities of the duty to abide by state
9 and federal laws, including, but not limited to the Oklahoma Concentrated Animal
10 Feeding Operations Act and the Oklahoma Registered Poultry Feeding Operations Act.

11 SECTION 2. This act shall become effective November 1, 2009.
