16 SECTION 2. AMENDATORY Section 4, Chapter 199, O.S.L.
17 2006, as amended by Section 1, Chapter 79, O.S.L. 2009 (63 O.S.
18 Supp. 2009, Section 695.2), is amended to read as follows:

19 Section 695.2 A. The purpose of the Oklahoma Intrastate Mutual
20 Aid Compact is to create a system of intrastate mutual aid between
21 participating jurisdictions in the state.

22 B. As used in the Oklahoma Intrastate Mutual Aid Compact:

1 1. "Jurisdiction" means any county, city, town or municipal
2 corporation of the State of Oklahoma represented by an elected
3 governing body and city-county health department created pursuant to
4 the Oklahoma Public Health Code.

5 Sovereign Tribal Nations in the State of Oklahoma shall also be
6 considered jurisdictions under the Oklahoma Intrastate Mutual Aid
7 Compact and participating unless electing not to participate or
8 later withdrawing from the system;

9 2. "Emergency" means any occasion or instance for which
10 assistance is needed to supplement local efforts and capabilities to
11 save lives and to protect property and public health and safety, or
12 to lessen or avert the threat of a catastrophe; and

13 3. "Emergency responder" means anyone with special skills,
14 qualifications, training, knowledge, and experience in the public or
15 private sectors that would be beneficial to a participating
16 jurisdiction in response to a local emergency as defined in
17 applicable law or ordinance or authorized drill or exercise.

18 C. Each participant of the system shall recognize that
19 emergencies transcend political jurisdictional boundaries and that
20 intergovernmental coordination is essential for the protection of
21 lives and property and for best use of available assets both public
22 and private. The system shall provide for mutual assistance among
23 the participating jurisdictions in the prevention of, response to,

1 and recovery from, any disaster ~~that results in a formal state of~~
2 ~~emergency in a participating jurisdiction subject to the criterion~~
3 ~~for declaration of that participating jurisdiction~~ or emergency, or
4 any other activity, as determined by the participating
5 jurisdictions. The system shall provide for mutual cooperation
6 among the participating jurisdictions in conducting disaster-related
7 exercises, testing, or other training activities outside actual
8 declared emergency periods. This legislation provides no immunity,
9 rights, or privileges for any individual responding to a state of
10 emergency that is not requested and/or authorized to respond by a
11 participating jurisdiction. Participating jurisdictions will be
12 ensured eligibility, to the fullest extent possible, for state and
13 federal disaster funding.

14 D. All jurisdictions within the state, upon enactment of this
15 legislation, are automatically a part of the statewide mutual aid
16 system. A jurisdiction within the state may elect not to
17 participate or to later withdraw from the system upon enacting an
18 appropriate resolution by its governing body declaring that it
19 elects not to participate in the statewide mutual aid system and
20 providing a copy of the resolution to the Oklahoma Department of
21 Emergency Management. This legislation does not preclude
22 participating jurisdictions from entering into supplementary
23 agreements with another jurisdiction and does not affect any other

1 agreement to which a jurisdiction may currently be a party or decide
2 to be a party to.

3 E. Many disasters begin as emergencies where local jurisdictions
4 require fire service and/or law enforcement assistance. These
5 services would normally be requested and provided at the department
6 level as normal day-to-day operations with no reimbursement. If an
7 incident response expands beyond a normal day-to-day emergency into
8 a disaster situation, reimbursement for mutual aid services may be
9 necessary and will be in accordance with the Federal Emergency
10 Management Agency reimbursement policy.

11 F. In support of the Emergency Management Compact, Section 684.1
12 et seq. of ~~Title 63 of the Oklahoma Statutes~~ this title, the
13 Governor or the representative of the Governor may request mutual
14 aid assistance from local jurisdictions for other states or their
15 jurisdictions. In such situations, the assisting local jurisdiction
16 shall be considered an agent of the state.

17 SECTION 3. AMENDATORY Section 5, Chapter 199, O.S.L.
18 2006 (63 O.S. Supp. 2009, Section 695.3), is amended to read as
19 follows:

20 Section 695.3 Each jurisdiction recognizes that there will be
21 emergencies which require immediate actions and implementation of
22 procedures to apply outside resources to make prompt and effective
23 response to such an emergency. This is because few, if any,

1 individual jurisdictions have all the resources they need in all
2 types of emergencies and the capability of delivering resources to
3 the area where emergencies occur.

4 The prompt, full and effective utilization of resources of the
5 participating jurisdictions, including any resources on hand or
6 available from any other source, that are essential to the safety,
7 care, and welfare of the people in the event of any emergency or
8 disaster ~~declared by a party jurisdiction,~~ shall be the underlying
9 principle on which all articles of this Compact shall be understood.

10 On behalf of the chief elected officer of each jurisdiction
11 participating in the Compact, the legally designated jurisdiction
12 official who is assigned responsibility for emergency management
13 will be responsible for the formulation of the appropriate aid plans
14 and procedures necessary to implement the Compact.

15 SECTION 4. AMENDATORY Section 8, Chapter 199, O.S.L.
16 2006 (63 O.S. Supp. 2009, Section 695.6), is amended to read as
17 follows:

18 Section 695.6 Whenever any person holds a license, certificate,
19 or other permit issued by any jurisdiction party evidencing the
20 meeting of qualifications for professional, mechanical, or other
21 skills, and when such assistance is requested by the receiving
22 jurisdiction, such person shall be deemed licensed, certified, or
23 permitted by the jurisdiction requesting assistance to render aid

1 involving such skill to meet a ~~declared~~ an emergency or disaster, or
2 a non-disaster incident or activity as determined by the
3 participating jurisdictions, subject to such limitations and
4 conditions as the requesting jurisdiction may prescribe by executive
5 order or otherwise.

6 SECTION 5. This act shall become effective November 1, 2010.
