Section 913.4 A. 1. An elected official may elect to participate in the System and if he or she elects to do so shall have the option of contributing at any one of the below listed contribution rates and will receive retirement benefits in accordance with the contribution rate chosen. 1 within ninety (90) days after the elected official takes office.
2 The election to participate and the election of a contribution rate
3 shall be irrevocable. Reelection to the same office will not permit
4 new elections. ~~Failure~~ Except as otherwise provided in paragraph 2
5 of this subsection, failure of an elected official to file such
6 election form within the ninety-day period shall be deemed an
7 irrevocable election to participate in the System at the maximum
8 contribution rate. Any currently serving elected official who has
9 not previously elected to participate in the System on the effective
10 date of this act, must make an election on participation in writing,
11 specifying the contribution rate no later than December 1, 1999.
12 ~~Failure~~ Except as otherwise provided in paragraph 2 of this
13 subsection, failure of a currently serving elected official to file
14 such election form shall be deemed an irrevocable election to
15 participate in the System at the maximum contribution rate.
16 Contributions and benefits will be based upon his or her annual
17 compensation as defined in Section 902 of this title. Employer and
18 employee contributions shall be remitted monthly, or as the Board
19 may otherwise provide, to the Executive Director for deposit in the
20 Oklahoma Public Employees Retirement Fund. Effective July 1, 1994,
21 and thereafter, the participating employer shall contribute as
22 provided in Section 920 of this title.
23 Effective July 1, 1994, and thereafter, the member contributions
24 and the computation factor selected shall be based on the entire

1 compensation as an elected official subject to the definition and
 2 maximum compensation levels as set forth in paragraph (9) of Section
 3 902 of this title and shall be as follows:

Contribution Rate	Computation Factor	Alternate Formula
4 1/2%	019	\$12.50
6%	025	\$20.00

10%	040	\$40.00

12 2. Any currently serving elected official who has previously
 13 elected to participate in the System and who has elected a
 14 contribution rate less than the maximum contribution rate may make
 15 an election to participate at the maximum contribution rate. The
 16 election shall be made, in writing, no later than December 31, 2009,
 17 and shall be deemed an irrevocable election to participate in the
 18 System at the maximum contribution rate. Such elected official
 19 shall pay an amount determined by the Board pursuant to the
 20 provisions of Section 913.5 of this title applicable to the
 21 determination and payment of the unremitted contributions.

22 B. The normal retirement date for an elected official shall be
 23 the first day of the month coinciding with or following the
 24 official's sixtieth birthday or the first day of the month

1 coinciding with or following the date at which the sum of the
 2 elected official's age and number of years of credited service total
 3 eighty (80). Provided further, that any elective official who has a
 4 minimum of ten (10) years' participating service may retire under
 5 the early retirement provisions of this act, including those
 6 electing a vested benefit and shall receive an adjustment of annual
 7 benefits in accordance with the following percentage schedule:

8	Age	Percentage of Normal Retirement Benefits
10	60	100%
11	59	94%
12	58	88%
13	57	82%
14	56	76%
15	55	70%

16 C. 1. Any elected official shall receive annual benefits
 17 computed based upon the contribution rate and corresponding
 18 computation factor selected multiplied by the member's highest
 19 annual compensation received as an elected official prior to
 20 retirement or termination of employment; provided, no elected
 21 official shall retire using such highest annual compensation unless
 22 the elected official has made the required election and has paid the
 23 required contributions on such salary, multiplied by the number of
 24

1 years of credited service, that has been credited to the member in
2 accordance with the provisions of this section.

3 2. The retirement benefit may be computed pursuant to the
4 provisions of paragraph (1) of subsection A of Section 915 of this
5 title if the benefit would be higher. Elected officials who have a
6 vested benefit prior to July 1, 1980, may elect to receive annual
7 benefits based on the alternate formula provided above. Such annual
8 benefits shall be paid in equal monthly installments.

9 3. Elected officials who become members of the Oklahoma Public
10 Employees Retirement System on or after July 1, 2008, will receive
11 retirement benefits in accordance with the contribution rate and
12 corresponding computation factor selected pursuant to subsection A
13 of this section multiplied by the member's highest annual
14 compensation received as an elected official and only for those
15 years of credited service the member served as an elected official.
16 If such elected official has participating service as a nonelected
17 member, then such nonelected service shall be computed separately
18 pursuant to the provisions of paragraph (1) of subsection A of
19 Section 915 of this title with the final benefit result added to the
20 final benefit result for elected service. In no event shall the
21 elected official be entitled to apply the contribution rate and
22 corresponding computation factor selected pursuant to subsection A
23 of this section or the compensation received as an elected official
24 to the computation of nonelected service.

1 4. Elected officials who are first elected or appointed to an
2 elected office on or after July 1, 2008, may not receive a maximum
3 benefit greater than their single highest annual compensation
4 received as a member of the Oklahoma Public Employees Retirement
5 System.

6 D. Any elected official making an election to participate at a
7 contribution rate less than the maximum and later selecting a higher
8 rate shall contribute to the System a sum equal to the amount which
9 he would have contributed if he had made such election at the time
10 he first became eligible, plus interest as determined by the Board,
11 in order to receive the additional benefits for all service as an
12 elected official; otherwise, the additional benefits shall be
13 applicable only to service for which the elected official pays the
14 appropriate percent of contributions to the System. Any elected
15 official who did not elect to participate and later elects to
16 participate prior to December 1, 1999, may receive credit for those
17 years of service accumulated by the member as an elected official if
18 the member is not receiving or eligible to receive retirement credit
19 or benefits from said service in any public retirement system. To
20 receive this service credit, the member shall pay the amount
21 determined by the Board pursuant to Section 913.5 of this title.

22 E. An elected official who has a vested benefit on July 1,
23 1982, may elect to receive benefits based upon a higher contribution
24 rate than the official previously contributed by paying to the

1 System the contributions, plus interest as determined by the Board,
2 due at the higher rate as if that rate had been in effect at the
3 time the official accepted a vested benefit.

4 F. The surviving spouse of a deceased elected official having
5 at least six (6) years of participating service shall be entitled to
6 receive survivor benefits in the amount herein prescribed, if
7 married to the decedent continuously for a period of at least three
8 (3) years immediately preceding the elected official's death.

9 Provided the elected official had met the service requirements,
10 survivor benefits shall be payable when the deceased member would
11 have met the requirements for normal or early retirement. The
12 amount of the benefits the surviving spouse may receive shall be
13 fifty percent (50%) of the amount of benefits the deceased elected
14 official was receiving or will be eligible to receive. Remarriage
15 of a surviving spouse shall disqualify the spouse for the receipt of
16 survivor benefits. Elected officials may elect a retirement option
17 as provided in Section 918 of this title in lieu of the survivors
18 benefit provided above.

19 G. Any elected official who served in the Armed Forces of the
20 United States, as defined in paragraph (23) of Section 902 of this
21 title, prior to membership in the Oklahoma Public Employees
22 Retirement System shall be granted credited service of not to exceed
23 five (5) years for those periods of active military service during
24 which the elected official was a war veteran.

1 H. Any one appointed or elected to an elected position after
2 July 1, 1990, shall not be eligible to receive benefits as provided
3 in this section until such person has participated as an elected
4 official for six (6) years.

5 I. Elected officials who terminate participation in the System
6 and who have a minimum of six (6) years of participating service
7 shall be entitled to elect a vested benefit and shall be entitled to
8 the retirement options as provided in Section 918 of this title in
9 lieu of the survivors benefit provided above.

10 SECTION 2. This act shall become effective July 1, 2009.

11 SECTION 3. It being immediately necessary for the preservation
12 of the public peace, health and safety, an emergency is hereby
13 declared to exist, by reason whereof this act shall take effect and
14 be in full force from and after its passage and approval.
