Fiscal Analyst: Terry McKenna

The Floor Amendment 1 to the Committee Substitute for HB 2176 replaces the Legislative Service Bureau (LSB) with the Office of the State Auditor & Inspector as the recipient of the monetary penalties outlined under the provisions of the CS for HB 2176.

**Fiscal Analysis**

The CS for HB 2176 provides that the above monetary penalties shall be apportioned to the General Revenue Fund of the State Treasury, or the cost of an auditor to prepare and file a report on behalf of the agency which, under the FAI, shall now be paid to the State Auditor & Inspector instead of LSB. As the FAI only changes the agency receiving these penalty monies, there is no change to the fiscal impact.
