**Bill Summary**

Research Analyst:       Dusty Darr

The Conference Committee Report (CCR) for House Bill 3167 modifies the Oklahoma Community Economic Development Pooled Finance Act by adding railway and utility systems owned by eligible local governmental entities to the definition of “infrastructure.”

**Fiscal Summary**

Fiscal Analyst:       Mark Tygret

CCR for HB 3167 modifies the definition of infrastructure as related to the Oklahoma Community Economic Development Pooled Finance Act by including “any railway or utility system owned by an eligible local government entity”.

**Fiscal Analysis**

The inclusion of railways and utility systems to the definition of infrastructure will have no direct impact to state or local governments inasmuch as the provision only expands the types of infrastructure eligible to be included in potential financings under the Act.

**Long Term Fiscal Considerations**

None.
