Bill Summary

Research Analyst: Dawn Marks

The committee substitute to House Bill 3170 requires the State Board of Education to develop a funding mechanism for disbursement of federal funds to reimburse school districts for excessive costs of high-need students.

The funding mechanism shall divide available federal funding between:

- out-of-state residential placements for students with special needs who have individualized education programs calling for out-of-state residential placement; and
- other high-need students with excessive costs which are at least three times the average per pupil expenditure in Oklahoma and the total excessive costs of all high-need students are at least ten percent of the flow-through allocation for the local education agency.

Fiscal Summary

Fiscal Analyst: Nicole Barnes

The Committee Substitute for HB 3170 directs the State Board of Education to develop a funding mechanism for disbursement of federal funds to reimburse districts for costs associated with high-needs students. The measure also requires such funds to be distributed evenly between those students whose individual education program (IEP) requires out-of-state residential placements, and other high-needs students.

Fiscal Analysis

Provisions of the measure do not impact the state, but will modify the current distribution of available federal funds.
