Floor Amendment #2 for Engrossed Senate Bill (ESB) 1901 authorizes the Native American Cultural and Educational Authority to exercise all its powers without any other approval from any other public entity, except as may otherwise be required by contract, with respect to the planning, construction, development, operation, maintenance and administration of commercial facilities which support, enhance or contribute to the American Indian Cultural Center.

Floor Amendment #2 also provides that the aforementioned authorization is contingent upon the repayment to the State of Oklahoma by the Authority of all public monies received by the Authority from the date the Authority became a legal entity through June 30, 2010, and upon the Authority having no outstanding debt of any kind.

The title and enacting clause have been stricken from the measure in its current form.
