**Fiscal Summary**

Fiscal Analyst: Nicole Barnes

FA2-A21 to SB 834 repeals Sections 16-111 and 16-111.1 of Title 70, which relate to textbooks.

**Fiscal Analysis**

As this amendment does not modify the appropriation for textbooks, but rather eliminates textbook committees and the need for textbook plans, there is no impact to the state.

**Long Term Fiscal Considerations**

None
