16 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

17 SECTION 1. NEW LAW A new section of law to be codified  
18 in the Oklahoma Statutes as Section 7250 of Title 36, unless there  
19 is created a duplication in numbering, reads as follows:

20 A. The Insurance Department shall, in collaboration with the  
21 State Department of Health, establish and maintain a comprehensive  
22 health care information system. The comprehensive health care  
23 information system shall be published on a website that permits  
24

1 consumers to see approximate pricing information on different health  
2 care services and pharmaceuticals from different types of providers.

3 B. The purpose of the comprehensive health care information  
4 system shall be to:

5 1. Serve as a resource for insurers, employers, providers,  
6 purchasers of health care, and state agencies to continuously review  
7 health care utilization, expenditures, and performance; and

8 2. Enhance the ability of consumers and employers to make  
9 informed and cost-effective health care choices.

10 C. In presenting data from the comprehensive health care  
11 information system, comparative considerations shall be made  
12 regarding geography, demographics, general economic factors, and  
13 institutional size.

14 D. In order to implement the provisions of this section, the  
15 Insurance Department and the State Department of Health shall enter  
16 into a memorandum of understanding for collaboration in the  
17 development of the comprehensive health care information system.  
18 Such memorandum of understanding shall include, but shall not be  
19 limited to:

20 1. A description of the data sets that will be included in the  
21 comprehensive health care information system;

22 2. The criteria and procedures for the development of limited-  
23 use data sets;

24

1 3. The criteria and procedures to ensure compliance with  
2 applicable state and federal laws; and

3 4. A proposed time frame for the creation of the comprehensive  
4 health care information system.

5 E. The comprehensive health care information system shall not  
6 include or disclose any data that contains direct personal  
7 identifiers. For the purposes of this section, "direct personal  
8 identifiers" means information that contains primary or obvious  
9 identifiers, including, but not limited to, the name, street  
10 address, e-mail address, telephone number, or social security number  
11 of an individual.

12 F. The Insurance Commissioner and the State Board of Health  
13 shall promulgate rules as necessary to implement the provisions of  
14 this section.

15 SECTION 2. This act shall become effective November 1, 2011.
