3 Section 1210.508C A. 1. Each student enrolled in kindergarten
4 in a public school in this state shall be screened for reading
5 skills including, but not limited to, phonological awareness, letter
6 recognition, and oral language skills as identified in the Priority
7 Academic Student Skills (PASS) adopted by the State Board of
8 Education. A screening instrument approved by the State Board shall
9 be utilized for the purposes of this section.

10 2. For those kindergarten children at risk for reading
11 difficulties, teachers shall emphasize reading skills as identified
12 in the PASS, monitor progress throughout the year and measure year-
13 end reading progress.

14 3. Classroom assistants, which may include parents,
15 grandparents, or other volunteers, shall be provided in kindergarten
16 classes to assist with the screening of students if a teacher aide
17 is not already employed to assist in a kindergarten classroom.

18 B. 1. Each student enrolled in kindergarten, first, second and
19 third grade of the public schools of this state shall be assessed at
20 the beginning of each school year using a screening instrument
21 approved by the State Board of Education for the acquisition of
22 reading skills including, but not limited to, phonological
23 awareness, phonics, spelling, reading fluency, vocabulary, and
24 comprehension.

1 2. Any student who is assessed and found not to be reading at
2 the appropriate grade level shall be provided a program of reading
3 instruction designed to enable the student to acquire the

14 ~~evaluation or any associated costs.~~

15 3. Throughout the year progress monitoring shall continue, and
16 diagnostic assessment, if determined appropriate, shall be provided.

20 three screening instruments for use at the beginning of the school
21 year, for monitoring of progress, and for measurement of reading
22 skills at the end of the school year as required in subsections A
23 and B of this section; provided, one of the screening instruments
24 shall be recommended by the Oklahoma Commission for Teacher

1 Preparation. The State Board shall also determine other comparable
2 reading assessments for diagnostic purposes and for periodic and

4 The State Board shall ensure that any assessments approved are in
5 alignment with the PASS.

6 D. The program of reading instruction required in subsection B
7 of this section shall align with the PASS, shall include provisions

18 eighty-hour school year required in Section 1-109 of this title; and

19 3. Assessments identified for diagnostic purposes and periodic
20 monitoring to measure the acquisition of reading skills including,
21 but not limited to, phonological awareness, phonics, spelling,
22 reading fluency, vocabulary, and comprehension, as identified in the
23 student's program of reading instruction.

24

1 E. The program of reading instruction shall continue until the
2 student is determined by the results of approved reading assessments
3 to be reading on grade level.

4 F. 1. Every school district shall adopt, implement, and
5 annually update a district reading sufficiency plan which has had
6 input from school administrators, teachers, and parents and if
7 possible a reading specialist, and which shall be submitted
8 electronically to and approved by the State Board of Education ~~as a~~
9 ~~part of each district's Comprehensive Local Education Plan.~~ The
10 district reading sufficiency plan shall include a plan for each site
11 which includes an analysis of the data provided by the Oklahoma
12 School Testing Program and other reading assessments utilized as
13 required in this section, and which outlines how each school site
14 will comply with the provisions of the Reading Sufficiency Act.

15 2. Each school site shall establish a committee, composed of
16 educators, which if possible shall include a certified reading
17 specialist, to develop the required programs of reading instruction.
18 A parent or guardian of the student shall be included in the
19 development of the program of reading instruction for that student.

20 3. The State Board of Education shall adopt rules for the
21 implementation and evaluation of the provisions of the Reading

23 to, an analysis of the data required in subsection ~~R~~ S of this
24 section.

1 G. For any third-grade student found not to be reading at grade
2 level as determined by reading assessments administered pursuant to
3 this section, a new program of reading instruction, including
4 provisions of the READ Initiative adopted by the school district as
5 provided for in subsection ~~N~~ O of this section, shall be developed
6 and implemented as specified in this section. If possible, a
7 fourth-grade teacher shall be involved in the development of the
8 program of reading instruction. In addition to other requirements
9 of the Reading Sufficiency Act, the plan may include specialized
10 tutoring.

11 H. Beginning with students entering the first grade in the
12 2011-2012 school year, if the reading deficiency of a student, as
13 identified based on assessments administered as provided for in
14 subsection B of this section, is not remedied by the end of third
15 grade, as demonstrated by scoring at the unsatisfactory level on the
16 reading portion of the statewide third-grade criterion-referenced
17 test ~~administered pursuant to Section 1210.508 of this title~~, the
18 student shall be retained in the third grade.

19 I. The parent of any student who is found to have a reading
20 deficiency and is not reading at the appropriate grade level and has
21 been provided a program of reading instruction as provided for in
22 subsection B of this section shall be notified in writing of the
23 following:
24

- 3 2. A description of the current services that are provided to
4 the student;
- 5 3. A description of the proposed supplemental instructional
6 services and supports that will be provided to the student that are
7 designed to remediate the identified area of reading deficiency;
- 8 4. That the student will not be promoted to the fourth grade if
9 the reading deficiency is not remediated by the end of the third
10 grade, unless the student is exempt for good cause as set forth in
11 subsection K of this section;
- 12 5. Strategies for parents to use in helping their child succeed
13 in reading proficiency;
- 14 6. That while the results of the statewide criterion-referenced
15 ~~test~~ tests administered pursuant to Section 1210.508 of this title
16 are the initial determinant, it is not the sole determiner of
17 promotion and that portfolio reviews and assessments are available;
18 and
- 19 7. The specific criteria and policies of the school district
20 for midyear promotion implemented as provided for in paragraph 4 of
21 subsection ~~M~~ N of this section.
- 22 J. No student may be assigned to a grade level based solely on
23 age or other factors that constitute social promotion.
- 24

1 K. For those students who do not meet the academic requirements
2 for promotion, a school district may promote the student for good
3 cause only. Good-cause exemptions for promotion shall be limited to
4 the following:

5 1. Limited-English-proficient students who have had less than
6 two (2) years of instruction in an English language learner program;

7 2. Students with disabilities whose individualized education
8 plan (IEP), consistent with state law, indicates that ~~participation~~
9 ~~in the statewide criterion-referenced tests administered pursuant to~~
10 ~~Section 1210.508 of this title is not appropriate~~ the student is to
11 be assessed with alternate achievement standards through the
12 Oklahoma Alternate Assessment Program (OAAP);

13 3. Students who demonstrate an acceptable level of performance
14 on an alternative standardized reading assessment approved by the
15 State Board of Education;

16 4. Students who demonstrate, through a student portfolio, that
17 the student is reading on grade level as evidenced by demonstration
18 of mastery of the state standards beyond the retention level;

19 5. Students with disabilities who participate in the statewide
20 criterion-referenced tests and who have an individualized education
21 plan that reflects that the student has received intensive
22 remediation in reading for more than two (2) years but still
23 demonstrates a deficiency in reading and was previously retained in
24 kindergarten, first grade, second grade, or third grade; and

1 6. Students who have received intensive remediation in reading
2 through a program of reading instruction for two (2) or more years
3 but still demonstrate a deficiency in reading and who were
4 previously retained in kindergarten, first grade, second grade, or
5 third grade for a total of two (2) years.

6 L. A student who is promoted for good cause as provided for in
7 ~~this paragraph~~ subsection K of this section shall be provided
8 intensive reading instruction during an altered instructional day
9 that includes specialized diagnostic information and specific
10 reading strategies for each student. The school district shall
11 assist schools and teachers to implement reading strategies for the
12 promoted students that research has shown to be successful in
13 improving reading among low-performing readers.

14 ~~L. In addition to the good-cause exemptions as set forth in~~
15 ~~subsection K of this section, requests~~ M. Requests to exempt
16 students from the ~~academic~~ mandatory retention requirements ~~for~~
17 ~~promotion to the next grade~~ based on one of the good-cause
18 exemptions as described in subsection K of this section shall ~~only~~
19 be made ~~upon documentation~~ using the following process:

20 1. Documentation submitted from the teacher of the student to
21 the school principal that indicates ~~that~~ the student meets one of
22 the good-cause exemptions and promotion of the student is
23 appropriate and ~~is based upon the record of the student.~~ In order
24 to minimize paperwork requirements, the documentation shall consist

1 only of ~~a~~ the alternative assessment results or student portfolio
2 work and the individual education plan (IEP), as applicable;

3 2. The principal of the school shall review and discuss the
4 documentation with the teacher. If the principal determines that
5 the student meets one of the good-cause exemptions and should be
6 promoted based on the documentation provided, the principal shall
7 make a recommendation in writing to the school district
8 superintendent; and

9 3. After review, the school district superintendent shall
10 accept or reject the recommendation of the principal in writing.

11 ~~M.~~ N. Beginning with the 2011-2012 school year, each school
12 district shall:

13 1. Conduct a review of the program of reading instruction for
14 all students who score at the unsatisfactory level on the reading
15 portion of the statewide criterion-referenced test administered
16 pursuant to Section 1210.508 of this title and did not meet the
17 criteria for one of the good-cause exemptions as set forth in
18 subsection K of this section. The review shall address additional
19 supports and services, as described in this subsection, needed to
20 remediate the identified areas of reading deficiency. The school
21 district shall require a student portfolio to be completed for each
22 retained student;

23 2. Provide to students who have been retained as set forth in
24 subsection H of this section with intensive interventions in

1 reading, intensive instructional services and supports to remediate
2 the identified areas of reading deficiency, including a minimum of
3 ninety (90) minutes of daily, uninterrupted, scientific-research-
4 based reading instruction. Retained students shall be provided
5 other strategies prescribed by the school district, which may
6 include, but are not limited to:

- 7 a. small group instruction,
- 8 b. reduced teacher-student ratios,
- 9 c. more frequent progress monitoring,
- 10 d. tutoring or mentoring,
- 11 e. transition classes containing third- and fourth-grade
12 students,
- 13 f. extended school day, week, or year, and
- 14 g. summer reading academies as provided for in Section
15 1210.508E of this title, if available;

16 3. Provide written notification to the parent or guardian of
17 any student who is to be retained as set forth in subsection H of
18 this section that the student has not met the proficiency level
19 required for promotion and the reasons the student is not eligible
20 for a good-cause exemption. The notification shall include a
21 description of proposed interventions and intensive instructional
22 supports that will be provided to the student to remediate the
23 identified areas of reading deficiency;

24

1 4. Implement a policy for the midyear promotion of a retained
2 student who can demonstrate that the student is a successful and
3 independent reader, is reading at or above grade level, and is ready
4 to be promoted to the fourth grade. Tools that school districts may
5 use in reevaluating any retained student may include subsequent
6 assessments, alternative assessments, and portfolio reviews, in
7 accordance with rules of the State Board of Education. Retained
8 students may only be promoted midyear prior to November 1 and only
9 upon demonstrating a level of proficiency required to score above
10 the unsatisfactory level on the statewide third-grade ~~statewide~~
11 criterion-referenced test and upon showing progress sufficient to
12 master appropriate fourth-grade-level skills, as determined by the
13 school. A midyear promotion shall be made only upon agreement of
14 the parent or guardian of the student and the school principal;

15 5. Provide students who are retained with a high-performing
16 teacher who can address the needs of the student, based on student
17 performance data and above-satisfactory performance appraisals; and

18 6. In addition to required reading enhancement and acceleration
19 strategies, provide students who are retained with at least one of
20 the following instructional options:

- 1 b. a parent-guided "Read at Home" assistance plan, as
2 developed by the State Department of Education, the
3 purpose of which is to encourage regular parent-guided
4 home reading, or
5 c. a mentor or tutor with specialized reading training.

6 ~~N.~~ O. Beginning with the 2011-2012 school year, each school
7 district shall establish a Reading Enhancement and Acceleration
8 Development (READ) Initiative. The focus of the READ Initiative
9 shall be to prevent the retention of third-grade students by
10 offering intensive accelerated reading instruction to third-grade
11 students who failed to meet standards for promotion to fourth grade
12 and to kindergarten through third-grade students who are exhibiting
13 a reading deficiency. The READ Initiative shall:

14 1. Be provided to all kindergarten through third-grade students
15 at risk of retention as identified by the assessments administered
16 pursuant to the Reading Sufficiency Act. The assessment used shall
17 measure phonemic awareness, phonics, fluency, vocabulary, and
18 comprehension;

19 2. Be provided during regular school hours in addition to the
20 regular reading instruction; and

21 3. Provide a state-approved reading curriculum that, at a
22 minimum, meets the following specifications:
23
24

- 1 a. assists students assessed as exhibiting a reading
2 deficiency in developing the ability to read at grade
3 level,
4 b. provides skill development in phonemic awareness,
5 phonics, fluency, vocabulary, and comprehension,
6 c. provides ~~scientifically~~ a scientific-research-based
7 and reliable assessment,
8 d. provides initial and ongoing analysis of the reading
9 progress of each student,
10 e. is implemented during regular school hours,
11 f. provides a curriculum in core academic subjects to
12 assist the student in maintaining or meeting
13 proficiency levels for the appropriate grade in all
14 academic subjects,
15 g. establishes at each school, where applicable, an
16 Intensive Acceleration Class for retained third-grade
17 students who subsequently score at the unsatisfactory
18 level on the reading portion of the statewide
19 criterion-referenced tests. The focus of the
20 Intensive Acceleration Class shall be to increase the
21 reading level of a child at least two grade levels in
22 one (1) school year. The Intensive Acceleration Class
23 shall:
24

- (1) be provided to any student in the third grade who scores at the unsatisfactory level on the reading portion of the statewide criterion-referenced tests and who was retained in the third grade the prior year because of scoring at the unsatisfactory level on the reading portion of the statewide criterion-referenced tests,
- (2) have a reduced teacher-student ratio,
- (3) provide uninterrupted reading instruction for the majority of student contact time each day and incorporate opportunities to master the fourth-grade state standards in other core subject areas,
- (4) use a reading program that is scientific-research-based and has proven results in accelerating student reading achievement within the same school year,
- (5) provide intensive language and vocabulary instruction using a scientific-research-based program, including use of a speech-language therapist,
- (6) include weekly progress monitoring measures to ensure progress is being made, and

1 (7) provide reports to the State Department of
2 Education, in the manner described by the
3 Department, outlining the progress of students in
4 the class at the end of the first semester,

5 h. provide reports to the State Board of Education, upon
6 request, on the specific intensive reading
7 interventions and supports implemented by the school
8 district. The State Superintendent of Public
9 Instruction shall annually prescribe the required
10 components of the reports, and

11 i. provide to a student who has been retained in the
12 third grade and has received intensive instructional
13 services but is still not ready for grade promotion,
14 as determined by the school district, the option of
15 being placed in a transitional instructional setting.
16 A transitional setting shall specifically be designed
17 to produce learning gains sufficient to meet fourth-
18 grade performance standards while continuing to
19 remediate the areas of reading deficiency.

20 ~~Ø.~~ P. In addition to the requirements set forth in this
21 section, each school district board of education shall annually
22 report to the parent or guardian of each student in the district the
23 progress of the student toward achieving state and district
24 expectations for proficiency in reading, writing, science, and

1 mathematics. The school district board of education shall report to
2 the parent or guardian of each student the results on ~~each~~ statewide
3 criterion-referenced ~~test~~ tests. The evaluation of the progress of
4 each student shall be based upon classroom work, observations,
5 tests, district and state assessments, and other relevant
6 information. Progress reporting shall be provided to the parent or

21 retained in grades three through ten,
- 22 d. information on the total number and percentage of
23 students who were promoted for good cause, by each
24 category of good cause as specified above, and

1 e. any revisions to the policies of the school district
2 on student retention and promotion from the prior
3 year.

4 2. The State Department of Education shall establish a uniform
5 format for school districts to report the information required in
6 this subsection. The format shall be developed with input from
7 school districts and shall be provided not later than ninety (90)
8 days prior to the annual due date. The Department shall annually
9 compile the information required along with state-level summary
10 information, and report the information to the public, the Governor,
11 the President Pro Tempore of the Senate, and the Speaker of the
12 House of Representatives.

13 ~~Q.~~ R. The State Department of Education shall provide technical

10 reading instruction and are reading on grade level as determined by
11 the results of approved reading assessments;

12 4. The number and percentage of students scoring at each
13 performance level on the reading portion of the statewide third-
14 grade criterion-referenced test ~~in reading~~;

15 5. The amount of funds for reading remediation received by each
16 district;

17 ~~of remediation or intervention in reading as provided for in Section~~
18 ~~1210.508C of this title. Each school district shall be allocated an~~
19 ~~amount equal to the per-student allocation amount multiplied by the~~
20 ~~number of identified students enrolled in the school district.~~

21 ~~B. In order to be reimbursed, school districts shall file a~~
22 ~~claim with the State Department of Education at the end of each~~
