12 providing an effective date.

13 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

14 SECTION 1. AMENDATORY 57 O.S. 2011, Section 549.1, is
15 amended to read as follows:

16 Section 549.1. A. The Department of Corrections is authorized
17 to purchase in the manner prescribed by law, facilities, equipment,
18 raw materials and supplies, and to engage the supervisory personnel
19 necessary to establish and maintain for this state at the penal
20 institutions, now or hereafter under the control of the State Board
21 of Corrections, industries and agricultural programs for the
22 utilization of services of prisoners in the manufacture or
23 production of the articles or products as may be needed for the

department, institution or agency supported in whole or in part by

1 this state and the political subdivisions thereof. Upon the request
2 of the Oklahoma Historical Society or the Oklahoma Tourism and
3 Recreation Department, the Department of Corrections shall provide
4 labor for and shall produce or manufacture articles, products or
5 materials needed for the repair, construction and maintenance of
6 historical sites and state parks including, but not limited to, the
7 production of materials and products needed for the reconstruction
8 of historic forts in the state.

9 B. All articles and services provided by the Department of
10 Corrections in the state correctional institutions, and not required
11 for use therein, shall be purchased as required by all offices,
12 departments, institutions, agencies, counties, schools, colleges,
13 universities, or political subdivisions or any agency thereof of
14 this state which are supported in whole or in part by this state, if
15 such article or service is the lowest and best bid, and no such
16 article or product may be purchased by any such office, department,
17 institution, agency, county, school, college, university, or
18 political subdivisions or agency thereof from any other source
19 unless excepted from the provisions as hereinafter provided.

20 Purchases made by the above-described state agencies may be made by
21 submitting the proper requisition through the Department of Central
22 Services or by direct order to the prison industries program of the
23 Department of Corrections.

24

1 C. If a requisition is received by the Department of Central
2 Services or a direct order is received by the Prison Industries
3 Program of the Department of Corrections from a state agency for any
4 product or service provided by the Department of Corrections and
5 such product or service is also available from a severely
6 handicapped person or a qualified nonprofit agency for the severely
7 handicapped as provided in Section 3001 et seq. of Title 74 of the
8 Oklahoma Statutes at a comparable price, then the product or service
9 shall be purchased from such severely handicapped person or
10 qualified nonprofit agency for the severely handicapped. If the
11 product or service is not available within the time period required
12 by the purchasing state agency, then such product or service shall
13 be purchased from the Department of Corrections under the provisions
14 of this section.

15 D. All offices, departments, institutions, agencies, counties,

18 which are supported in whole or in part by this state, may purchase
19 the goods or services produced by the prison industries of the
20 Department of Corrections through their properly authorized
21 purchasing authority, or they may place a direct order without
22 competitive bid, with the prison industries of the Department of
23 Corrections.

2 in Oklahoma or other states may purchase such goods and services.
3 Units of the federal government and units of government in other
4 states may also purchase such goods and services. All entities
5 which contract with the state, its political units, its agencies,
6 its public institutions, not-for-profit corporations or charitable
7 agencies chartered in Oklahoma may purchase goods or services from
8 the Department of Corrections which are used in the performance of
9 such contracts. Any church located in the State of Oklahoma may
10 also purchase goods and services produced by the prison industries
11 of the Department of Corrections. Any community action agency or
12 council of governments within this state may purchase housing
13 components produced by the prison industries of the Department of
14 Corrections. Nothing shall prohibit the Department from bidding on

16 contractor.

17 F. Others are prohibited from purchasing such goods and
18 services, with the exception that all surplus agricultural products
19 may be sold on the open market or bartered and exchanged for other
20 food, feed or seed products of comparable value. The Department of
21 Corrections shall keep complete and accurate records of any such
22 barter or exchanges in such form and manner as the Department of
23 Central Services may prescribe. A copy of such records shall be

9 provided at a fair market price for comparable quality.

10 H. State agencies shall make maximum utilization of such
11 products and no similar products shall be purchased by state
12 agencies from any other source than the Department of Corrections
13 except as provided in subsection C of this section, unless the
14 Department of Corrections certifies to the State Purchasing Director
15 that it is not able to provide products, and no claim therefor shall
16 be paid without such certification.

17 I. Exceptions from the mandatory provisions hereof may be made
18 in any case where, in the opinion of the Department of Central
19 Services, the article or product does not meet the reasonable
20 requirements of or for such offices, departments, institutions or
21 agencies, or in any case where the requisitions made cannot be
22 reasonably complied with. No such offices, departments,
23 institutions or agencies, shall be allowed to evade the intent and
24 meaning of this section by slight variations from standards adopted

1 by the Department of Central Services, when the articles, services
2 or products produced or manufactured by the Department of
3 Corrections, in accordance with established standards, are
4 reasonably adapted to the actual needs of such offices, departments,
5 institutions or agencies.

6 J. In the event of disagreement between the Department of
7 Corrections and the State Purchasing Director on fairness of price,
8 ability to comply to specifications, reasonableness of
9 specifications and timeliness of delivery of products the matter
10 will be resolved by the Central Purchasing Director.
