If the Department has made a determination that the applicant is engaged in the illegal use of a controlled substance or substances, the applicant's request for TANF cash benefits shall be denied. The Commission for Human Services shall adopt rules to implement the requirements of this paragraph consistent with the following:

- a. the Department shall create a controlled substance screening process to be administered at the time of application. The process shall, at a minimum, include a Substance Abuse Subtle Screening Inventory (SASSI) or other similar screening methods. The cost of all such initial screenings shall not be borne by the applicant,
- b. if at any time during the controlled substance screening process, the applicant refuses to participate, that refusal shall lead to a denial of TANF benefits,
- c. if the Department, as the result of a controlled substance screening process, has determined that the applicant is engaged in the illegal use of a controlled substance or substances, the applicant's request for TANF cash benefits shall be denied, subject to the following:
 - (1) if there has not already been a chemical drug test administered as part of the controlled

substance screening process, the applicant may submit proof of a negative chemical drug test from a state certified laboratory to challenge the Department's finding that the applicant is engaged in the illegal use of a controlled substance or substances. Proof of the chemical drug test must be submitted to the Department no later than the tenth calendar day following denial. If denial is communicated by mail, the ten (10) day window begins on the day after the date of mailing of the denial notice to the applicant's last-known address. The denial notice is considered to be mailed on the date that appears on the notice, unless otherwise indicated by the facts,

(2) if denied due to the provisions of this subparagraph, an applicant shall not be approved until one (1) year has passed since the date of denial,

(a) if the applicant is denied due to the provisions of this paragraph, the Department shall provide a list of substance abuse treatment programs to the denied applicant,

(b) if an applicant has successfully complied with a recommended substance abuse treatment program after the date of denial, the applicant may be approved for cash benefits after six (6) months have passed since the date of denial, rather than the required one (1) year, and

~~15.~~ 16. The recipient shall comply with all other conditions and requirements of the STARS, and rules of the Commission promulgated pursuant thereto.

B. 1. Agencies of this state involved in providing services to recipients pursuant to the STARS shall exchange information as necessary for each agency to accomplish objectives and fulfill obligations created or imposed by the STARS and rules promulgated pursuant thereto.

2. Information received pursuant to the STARS shall be maintained by the applicable agency and, except as otherwise provided by this subsection, shall be disclosed only in accordance with any confidentiality provisions applicable to the agency originating the information.

3. The various agencies of the state shall execute operating agreements to facilitate information exchanges pursuant to the STARS.
