

ENROLLED SENATE  
BILL NO. 1354

By: Burrage of the Senate

and

Quinn of the House

An Act relating to motor vehicles; stating legislative findings; stating legislative purpose and intent; requiring the Commissioner of Public Safety to promulgate rules to provide for certain restricted driver license; defining term; providing for codification; providing for noncodification; and providing an effective date.

SUBJECT: Motor vehicle operation

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law not to be codified in the Oklahoma Statutes reads as follows:

The Oklahoma Legislature hereby finds that there are persons in many other states who are using a bioptic telescopic device to successfully and safely operate a Class D motor vehicle. It is, therefore, the purpose and intent of this act to provide an opportunity to those citizens of this state who can successfully pass necessary tests and examinations with the use of a bioptic telescopic device to drive a Class D motor vehicle.

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 6-119A of Title 47, unless there is created a duplication in numbering, reads as follows:

A. Within six (6) months of the effective date of this act, the Commissioner of Public Safety, shall, in conjunction with the Driver License Medical Advisory Committee, promulgate rules that shall provide for a restricted driver license for bioptic driving in this state.

B. As used in this section, "bioptic driving" shall mean a method of driving that utilizes both the person's general vision in combination with intermittent spotting through a small telescopic system that improves the sharpness of the person's far vision.

SECTION 3. This act shall become effective November 1, 2012.

Passed the Senate the 15th day of March, 2012.
