Mr./Madame President:

I move to amend Engrossed House Bill No. 2373, Page 3, Line 23 , as follows:

By deleting all language in subsection E and adding the following:

E. 1. Counties are hereby authorized and empowered to execute deeds of conveyance of any county lands acquired at tax resale to the Oklahoma Health Care Authority (OHCA) or, at the OHCA's request, to the Department of Central Services, if the OHCA has liens on said lands. The OHCA shall have thirty (30) days to respond to the county's request to receive such lands by deed.

2. After thirty (30) days, the lands will be deemed blighted pursuant to the provisions of Section 38-101 of Title 11 of the Oklahoma Statutes. The OHCA liens will be deemed released by operation of law and the county treasurer of the county where said property is located shall file a notice of release of lien in the office of the county clerk. The notice of release of lien shall also be sent by certified mail to the Director of the OHCA.

3. OHCA is authorized to provide a list of its properties with the pay-off amount to the county treasurer of the county where the land is located. The county treasurer shall make such list available to any potential buyers interested in purchasing property subject to an OHCA lien.
