6 AS INTRODUCED

7 An Act relating to construction registry; creating
8 the Oklahoma Online Construction Registry Act;
9 providing short title; stating purpose; stating
10 legislative findings; providing for codification; and
11 providing an effective date.

12 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

13 SECTION 1. NEW LAW A new section of law to be codified
14 in the Oklahoma Statutes as Section 1000.20 of Title 59, unless
15 there is created a duplication in numbering, reads as follows:

16 This act shall be known and may be cited as the "Oklahoma Online
17 Construction Registry Act".

18 SECTION 2. NEW LAW A new section of law to be codified
19 in the Oklahoma Statutes as Section 1000.21 of Title 59, unless
20 there is created a duplication in numbering, reads as follows:

21 The purpose of this act is to create and maintain an online
22 registry for full disclosure to property owners, contractors and
23 other interested parties, of people providing goods and services to
24 a construction project. The Legislature finds that by providing a

1 centralized resource for project participant information, the Online
2 Construction Registry Act will help property owners minimize unknown
3 project liability and risk. The Legislature further finds that the
4 Oklahoma Online Construction Registry Act will also implement an
5 efficient and standardized system for protecting lien rights
6 associated with all types of construction projects - residential,
7 public and commercial.

8 SECTION 3. This act shall become effective November 1, 2011.
