Research Analysis

The Conference Committee Substitute directs the chair of the Statewide Nine-One-One Advisory Board to call a meeting of the Board to produce specific recommendations to the Legislature on the following:

1. Setting the amount charged for fees that are currently provided in law for the nine-one-one (911) system and any need for additional fees in order adequately maintain current systems and to uniformly provide the highest levels of technology for emergency nine-one-one (911) systems throughout the state;
2. Determining a state agency that may authorize the appointment of the current Statewide Nine-One-One Coordinator to the agency in order to carry out the powers and duties as may be prescribed in the most consistent and efficient manner; and
3. Identifying methods for the Statewide Nine-One-One Coordinator to derive more authority in carrying out any directives in implementing and improving the emergency nine-one-one (911) services of this state.

Requires a report on the recommendations to be submitted by December 31, 2011.
