

Oklahoma State Senate

Bill Summary and Fiscal Impact

Agency: DHS

Bill Number: SB 483

Senate Author: Crain

House Author:

FY '12 Zero

Full Year Impact: Zero

Bill Summary and Comments: The Bill directs DHS to seek federal approval as necessary to involve private services providers providing services within Aging Services Division, Children and Family Services Division and Developmental Disabilities Services Division. DHS will not incur any costs in seeking federal approval. There is the possibility that private providers could provide services at a lower cost than what the State currently provides the services for.
