Bill Summary and Fiscal Impact

Agency: SDE/Charter schools

Bill Number: SB 605

Senate Author: Ford

House Author:

FY '12 \$22,000, but possibly less

Full Year Impact: \$22,000, but possibly less

Bill Summary and Comments: This bill adds Charter School Sponsoring Commission as an eligible entity to sponsor a charter school. The Charter School Sponsoring Commission can sponsor a charter school in certain large school districts or in districts with a school site listed on the school improvement list. The membership, terms, rules, and appointing authority of the Commission are also set out. It would cost \$22,000 for a full time admin assistant for the commission. This could possibly be a part-time position and potentially cost less. Any other staffing requirements (information request, etc) would be absorbed and performed by current employees.
