Bill Summary and Fiscal Impact

Agency: SDE

Bill Number: SB 939

Senate Author: Jolley

House Author:

FY '12 No impact to state, districts lose \$2.40 a student

Full Year Impact: No impact to state, districts lose \$2.40 a student

Bill Summary and Comments: This bill allows the Oklahoma School for the Deaf and the School for the Blind to be considered school districts in order to receive an allocation from the state aid school funding formula. If no additional funding is provided, then the statewide factors (current \$3,113.40 w/ARRA) would decrease by at least \$2.40 (approx. \$3,111.00), to fund the \$2.4M needed for the School for the Blind and School for the Deaf to go through the current state aid formula.
