Upon receipt of an application without the properly completed declaration, the Tax Commission shall return the application to the applicant with notice that the title may not be issued without the required declaration. The Tax Commission shall assign an identifying number to any rebuilt vehicle if the vehicle identification number displayed on the rebuilt vehicle does not accurately describe the vehicle as rebuilt. The motor license agent, at the time of inspection of the rebuilt vehicle pursuant to Section 1111 of this title, shall identify the make, model, and year for the body to accurately describe the rebuilt vehicle. At the time of the inspection, an appropriate identifying number shall be permanently stamped, burned, pressed, or attached on the rebuilt vehicle. The assigned identifying number shall be recorded on the certificate of title for the rebuilt vehicle. The dealer's or manufacturer's vehicle identification number on the rebuilt vehicle shall be preserved in the computer files of the Tax Commission for at least five (5) years.

F. When registering for the first time in this state a vehicle which was not originally manufactured for sale in the United States, to obtain a certificate of title, the Tax Commission shall require the applicant to deliver:

1. As evidence of ownership, if the vehicle has not previously been titled in the United States, the documents constituting valid proof of ownership in the country in which the vehicle was originally purchased, together with a notarized translation of any such documents; and

G. When registering in this state a vehicle which was titled in another state and which title contains the name of a secured party on the face of the other state certificate of title, or such state certificate is being held by the secured party in that state or any other state, the Tax Commission or the motor license agent shall complete a lien entry form as prescribed by the Tax Commission. The owner of such vehicle shall file an affidavit with the Tax Commission or the motor license agent stating that title to the vehicle is being held by a secured party has not been issued pursuant to the laws of the state where titled, and that there is an existing lien or encumbrance on the vehicle. The current name and address of the secured party or lienholder shall also be stated in the affidavit. The form of the affidavit shall be prescribed by the Tax Commission and contain any other information deemed necessary by the Tax Commission. A statement of the lien or encumbrance shall be included on the Oklahoma certificate of title and the lien or encumbrance shall be deemed continuously perfected as though it had been perfected pursuant to Section 1110 of this title. For completing the lien entry form and recording the security interest on the certificate of title, the Tax Commission or the motor license

agent shall collect a fee of Three Dollars (\$3.00) which shall be in addition to other fees provided by the Oklahoma Vehicle License and Registration Act. The fee, if collected by the motor license agent pursuant to this subsection, shall be retained by the motor license agent.

H. One Dollar (\$1.00) of each such charge shall be deposited in the Oklahoma Tax Commission Reimbursement Fund. However, the charge shall not apply to any vehicle which is to be registered in this state pursuant to the provisions of Section 1120 or 1133 of this title and which was registered in another state at least sixty (60) days prior to the time it is required to be registered in this state.

I. The vehicle identification number of a junked vehicle shall be preserved in the computer files of the Tax Commission for a period of not less than five (5) years. The charge of junked titles as defined in paragraph 4 of subsection B of this section shall be Four Dollars (\$4.00). The fee remitted to the Tax Commission shall be deposited in the Oklahoma Tax Commission Reimbursement Fund.

J. If a vehicle is sold to a resident of another state destroyed, dismantled, or ceases to be used as a vehicle, the owner shall immediately notify the Tax Commission. Absent evidence to the contrary, failure to notify the Tax Commission shall be prima facie evidence that the vehicle has been in continuous operation in this state.

K. If a vehicle is stolen, the owner shall immediately notify the appropriate law enforcement agency. Immediately after receiving such notification, the law enforcement agency shall notify the Tax Commission.

L. Except for all-terrain vehicles, utility vehicles and motorcycles used exclusively for off-road use, no title for an out-of-state vehicle, except any commercial truck or truck-tractor registered pursuant to Section 1120 of this title which is engaged in interstate commerce or any trailer or semitrailer registered

pursuant to Section 1133 of this title which is engaged in interstate commerce, shall be issued without an inspection of such vehicle and payment of a fee of Four Dollars (\$4.00) for such inspection; provided, the Tax Commission may enter into reciprocal agreements with other states for such inspections to be performed at locations outside the boundaries of this state for vehicles which:

The remaining Two Dollars (\$2.00) shall be deposited in the Oklahoma Tax Commission Reimbursement Fund.

The Tax Commission may allow the inspection to be performed at a location out-of-state by another state's department of motor vehicles or state police.

Upon request of the seller, person or entity conducting an auction, dealer or licensed dismantler, the inspection shall be conducted at the location or place of business of the sale, auction, dealer, or the dismantler. The inspection shall be conducted by any motor license agent or a duly authorized employee thereof; provided, if the vehicle identification number on the vehicle offered for sale at salvage pools, salvage disposal sales or a classic or antique

auction does not match the number recorded on the ownership record, the inspection may be conducted at the location of or place of business of such sale or auction by any state, county or city law enforcement officer. The Tax Commission may enter into reciprocal agreements with other states for such inspections to be performed at locations outside the boundaries of this state for vehicles which:

1. Are offered for sale at auction;
2. Have been solely used as vehicles for rent under the ownership of a licensed motor vehicle dealer or a person engaged in the business of renting motor vehicles; or
3. Have not been registered in this or any other state for more than one (1) year.

The inspection shall be certified upon forms prescribed by the Tax Commission. The name and other identification of the authorized person conducting the inspection shall be legibly printed or typed on the form. A signature specimen of the authorized person shall be submitted to the Tax Commission by the employing motor license agent. If the authorization to inspect vehicles is withdrawn or the employer-employee relationship is terminated, the motor license agent, immediately, shall notify the Tax Commission and return any remaining inspection forms to the Tax Commission. The fee for the inspection shall be Four Dollars (\$4.00). The motor license agent shall retain Three Dollars (\$3.00) of the fee. Fees received by a motor license agent or an authorized employee thereof shall be handled and accounted for in the manner as prescribed by law for any other fees paid to or received by a motor license agent. Out-of-state vehicles brought into this state by a person licensed in another state to sell new or used vehicles to be sold within this state at a motor vehicle auction which is limited to dealer-to-dealer transactions shall not be required to be inspected, unless the vehicle is purchased by an Oklahoma dealer. Any person licensed in another state to sell new or used motor vehicles, who offers a motor vehicle for sale within this state at a motor vehicle auction which is limited to dealer-to-dealer transactions, shall not be

within the definition of "owner" in Section 1102 of this title, for purposes of Section 1101 et seq. of this title.

N. A licensed motor vehicle dealer, upon payment of a fee of Fifteen Dollars (\$15.00), may reassign an out-of-state certificate of title to a used motor vehicle provided such dealer obtains the appropriate inspection form required by either subsection L or M of this section and attaches the form to the out-of-state certificate of title. Motor license agents shall be allowed to retain Two Dollars and twenty-five cents (\$2.25) of the fee plus an additional Two Dollars (\$2.00) or Three Dollars (\$3.00) as provided in subsections L and M of this section for performance of the inspection. Upon recovery of the vehicle, the ownership shall be transferred by an original title, salvage title, or junked title, as may be appropriate based upon an estimate of the amount of loss submitted by the insurer.

P. The owner of any vehicle which is incapable of operation or use on the public roads and has no resale value, except as parts,

scrap or junk, may deliver the certificate of title to the vehicle to the Tax Commission for cancellation. Q. The owner of a vehicle which is not within the last ten (10) model years, not roadworthy and not capable of repair for operation or use on the roads and highways shall transfer the vehicle only upon a certificate of ownership prescribed by the Tax Commission, if the certificate of title to the vehicle is lost, has been canceled, or otherwise not available. The prescribed ownership form shall include the names and addresses of the buyer and seller, the driver license number or social security number of the seller, the make and model of the vehicle, and the public vehicle identification number. If there is no public vehicle identification number, the vehicle shall be inspected by a law enforcement officer to verify the absence of the number on the vehicle and the prescribed ownership form shall include a signed statement, by such officer, verifying the absence of the number.

The certificate of ownership shall be completed in triplicate. The buyer and seller shall each retain a copy. One Dollar (\$1.00) shall be retained by the motor license agent and Three Dollars (\$3.00) shall be deposited in the Oklahoma Tax Commission Reimbursement Fund in the State Treasury.

Upon receipt of the certificate, the Tax Commission shall verify that any perfected lien upon the vehicle has been released. If the lien is not released, the Tax Commission shall mail notice of the

transfer to the lienholder at the lienholder's last-known address. If a certificate of title has been issued, it shall be canceled and the vehicle identification number shall be preserved in the computer of the Tax Commission for at least five (5) years. The buyer of the vehicle may not be sued and shall not be liable for monetary damages to the lienholder, however, the vehicle shall be subject to a valid repossession by a lienholder.

The Tax Commission shall cancel the title, and the vehicle identification number shall be preserved in the computer files of the Tax Commission for a period of not less than five (5) years.

U. The Tax Commission shall not be considered a necessary party to any lawsuit which is instigated for the purpose of determining ownership of a vehicle, wherein the Tax Commission's only involvement would be to issue title, and the court shall issue an order dismissing the Tax Commission from the pending action.
