BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified
in the Oklahoma Statutes as Section 3-128.1 of Title 70, unless
there is created a duplication in numbering, reads as follows:

This act shall be known and may be cited as the "Allowing Local
Administrators More Options Act".

1 SECTION 2. NEW LAW A new section of law to be codified
2 in the Oklahoma Statutes as Section 3-128.2 of Title 70, unless
3 there is created a duplication in numbering, reads as follows:

4 A. 1. Subject to the provisions of this section, a school
5 district shall be allowed to submit a request to the State Board of
6 Education for an exemption from all statutory requirements and State
7 Board of Education rules from which charter schools are exempt as
8 provided for in the Oklahoma Charter Schools Act. Any request for
9 exemption shall include a plan for deregulation which outlines the
10 goals sought to be achieved by deregulation. A plan shall, at a
11 minimum, include the educational and fiscal benefits of deregulation
12 and the anticipated impacts or outcomes deregulation will have in
13 the requesting district.

14 2. Within sixty (60) days after receiving the request and plan
15 for deregulation, the State Board shall approve or disapprove the
16 request. If the State Board does not approve the request, it shall
17 provide to the school district a written explanation of the basis
18 for its decision. The school district may resubmit an amended
19 request at any time after denial. The request shall be approved by
20 the State Board before implementation by the school district. An
21 approved request and plan shall be for no longer than three (3)
22 years. Prior to the beginning of the third year, the school
23 district may apply for renewal of the approved request and plan.
24 The school district shall be required to submit an annual report and

2 fiscal status of the school district.

3 B. Nothing in this section shall prevent a school district
4 which has been granted approval by the State Board for the exemption
5 as set forth in subsection B of this section from choosing to follow
6 any or all state laws, rules or regulations from which a charter
7 school is exempt. A school district which has been granted approval
8 for the exemption shall have the option to adopt policies to
9 implement any requirement for the school district that is consistent
10 with any statutory requirement or mandate or Board rule.

11 C. A school district which has been granted approval by the
12 State Board for the exemption as set forth in subsection B of this
