

CONFERENCE COMMITTEE REPORT SUMMARY

Measure: CCS for HB 2062

Principal Authors: Representative Derby
Senator Jolley

General Subject Matter: Technology

General Description of **Major Differences** between the current report and the version last seen and voted on in the House and the sections in which such differences are located:

√ Changes from engrossed House measure which were made in the Senate and contained in conference committee report/substitute (applies *only* to House measures):

No substantive changes.

√ Changes made in conference:

Section 8. Requires the State Government Technology Applications Review Board (SGTARB) to establish an assistance program to encourage state agencies to develop a telework model.

Section 10. Directs the Chief Information Officer (CIO) of the state to develop and maintain a website that will allow the public access to security breaches for which notification of the CIO is required.

Section 16. Allows state agencies to request authorization from the SGTARB to charge a convenience fee for electronic or online transactions.

Date Prepared: May 17, 2013
