

CONFERENCE COMMITTEE REPORT SUMMARY

Measure HB 2226

Principal Authors: Representative Schwartz
Senator Griffin

General Subject Matter: Insurance

General Description of **Major Differences** between the current report and the version last seen and voted on in the House and the sections in which such differences are located:

√ Changes from engrossed House measure which were made in the Senate and contained in conference committee report/substitute (applies *only* to House measures):

Section 1. Modifies the definition of health benefit plan. Modifies what Allows a health benefit plan to customize the content of a specific prescription drug form for which the prior authorization is being request. A copy must be made available to the insurance commissioner upon request.

√ Changes made in conference:

Section 1. Modifies the length of the prior authorization form.
Section 2. Provides that women under the age of 17 must obtain a prescription for the “morning after” emergency contraceptive. It must be made available to women 17 years of age and older without a prescription.

Date Prepared: May 16, 2013
