

CONFERENCE COMMITTEE REPORT SUMMARY

Measure HB2312

Principal Authors: Representative Morrissette
Senator Holt

General Subject Matter: Emergency Management

General Description of **Major Differences** between the current report and the version last seen and voted on in the House and the sections in which such differences are located:

√ Changes from engrossed House measure which were made in the Senate and contained in conference committee report/substitute (applies *only* to House measures):

None.

√ Changes made in conference:

Section 1. Allows architects, engineers and law enforcement officers to be immune from civil liability for volunteering to provide a natural disaster risk assessment or dangerous intruder risk assessment for any publicly owned structure.

Section 2. Removes the requirement that the independent investigative team of licensed professional engineers and architects include a professor of civil engineering from an Oklahoma university.

Date Prepared: May 21, 2014
