1 SECTION 2. NEW LAW A new section of law to be codified
2 in the Oklahoma Statutes as Section 3113 of Title 63, unless there
3 is created a duplication in numbering, reads as follows:

4 A. Hospitals shall provide each patient or the patient's legal
5 guardian with an opportunity to designate at least one caregiver
6 following the patient's admission into a hospital and prior to the
7 patient's discharge or transfer to another facility.

8 1. In the event the patient is unconscious or otherwise
9 incapacitated upon entry to the hospital, the hospital shall provide
10 the patient or the patient's legal guardian with an opportunity to
11 designate a caregiver following the patient's recovery of
12 consciousness or capacity.

13 2. In the event the patient or the patient's legal guardian
14 declines to designate a caregiver under this act, the hospital shall
15 promptly document such in the patient's medical record.

16 3. In the event that the patient or the patient's legal
17 guardian designates an individual as a caregiver under this act, the
18 hospital shall promptly request the written consent of the patient
19 or the patient's legal guardian to release medical information to
20 the patient's designated caregiver pursuant to the hospital's
21 established procedures for releasing personal health information and

6 name, telephone number, and physical address of the patient's
7 designated caregiver in the patient's medical record.

8 B. A patient may elect to change his or her designated
9 caregiver at any time. Any requested change shall be recorded in
10 the patient's medical record by the hospital.

11 C. Designation of a caregiver by a patient or a patient's legal
12 guardian pursuant to the provisions of this act does not obligate
13 any individual to perform any aftercare tasks for the patient.

15 patient or a patient's legal guardian to designate any individual as
16 a caregiver as defined by this act.

18 in the Oklahoma Statutes as Section 3114 of Title 63, unless there

- 13 3. Contact information for any health care provider or other
14 community resources necessary to successfully administer the
15 patient's discharge plan.

16 B. 1. The facility issuing the discharge plan shall provide
17 the caregiver with an opportunity to receive instruction in all
18 aftercare tasks described in the discharge plan. At a minimum, such
19 instruction shall include:

- 20 a. a demonstration of the tasks to be performed, by a
21 hospital employee authorized to perform the aftercare
22 task, and

1 b. an opportunity for the caregiver to inquire about
2 aftercare tasks and answers to questions posed by the
3 caregiver.

4 2. Any instruction required under this act shall be documented
5 in the patient's medical record, including the date and time

17 Oklahoma Statutes.

18 B. Nothing in this act shall be construed to create a private
19 right of action against a hospital or hospital employee or otherwise
20 supersede or replace existing rights or remedies under any other
21 general or special law.

22 SECTION 6. This act shall become effective November 1, 2014.
