2 BILL NO. 9999

By: Murphey

3  
4  
5 An Act relating to public finance; creating the  
6 Transparency, Accountability and Innovation in  
7 Oklahoma State Government 2.0 Act of 2013; amending  
8 62 O.S. 2011, Section 34.11.2, which relates to the  
9 Oklahoma State Government 2.0 initiative; providing  
10 for data sets; removing convenience information sets;  
11 requiring data sets be made available for public  
12 access; requiring listing of individuals and  
13 employers required to file certain reports be  
14 available on certain portal; providing for  
15 noncodification; providing for codification; and  
16 providing an effective date.

17  
18  
19 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

20 SECTION 1. NEW LAW A new section of law not to be  
21 codified in the Oklahoma Statutes reads as follows:

22 This act shall be known and may be cited as the "Transparency,  
23 Accountability and Innovation in Oklahoma State Government 2.0 Act  
24 of 2013".

SECTION 2. AMENDATORY 62 O.S. 2011, Section 34.11.2, is  
amended to read as follows:

Section 34.11.2 A. There is hereby established the Oklahoma  
State Government 2.0 Initiative.

1 B. The State Governmental Technology Applications Review Board  
2 shall consider and approve a standardized social media policy for  
3 use by state agencies, boards, commissions and public trusts having  
4 the State of Oklahoma as a beneficiary.

5 C. The board shall establish open technology standards and a  
6 schedule by which state agencies, boards, commissions and public  
7 trusts having the State of Oklahoma as a beneficiary shall utilize  
8 these standards to provide citizens with web-based interactivity to  
9 state government services. Whenever possible these standards shall  
10 match commonly used standards by other government entities.

11 D. The board shall set a schedule by which state agencies,  
12 boards, commissions and public trusts having the State of Oklahoma  
13 as a beneficiary shall publish and update convenience information  
14 sets which shall be accessible through standardized application  
15 programming interfaces and published in standardized formats  
16 including but not limited to eXtensible Markup Language (XML) and  
17 Comma Separated Value (CSV) formats. The board shall establish  
18 application programming interface standards which enable access to  
19 ~~convenience information~~ data sets. The schedule shall place an  
20 emphasis on first making accessible ~~convenience information~~ data  
21 sets most commonly requested in open records requests. A directory  
22 and link to all available ~~convenience information~~ data sets shall be  
23 prominently featured on the portal system referenced in Section  
24

1 34.24 of this title and ~~if possible linked to~~ made available through  
2 the *data.ok.gov* web portal.

3 E. The board may conduct events and contests to provide  
4 recognition of software application development provided that the  
5 application being recognized utilizes standards established in this  
6 section to the benefit of the citizens of Oklahoma.

7 F. The board shall establish an application process through  
8 which applicants can request the scheduled implementation of  
9 application programming interfaces, creation of open technology  
10 standards and publication of ~~convenience information~~ data sets  
11 pursuant to the provisions of this section. Instructions regarding  
12 the application process shall be prominently featured on the portal  
13 system referenced in Section 34.24 of this title.

14 G. State agencies, boards, commissions and public trusts having  
15 the State of Oklahoma as a beneficiary shall comply with the  
16 policies, schedules and standards established by this section.

17 H. The board shall implement standardized policies by which  
18 state agencies may accept terms of service related to liability  
19 issues for the usage of social media services, contracts for  
20 technology products and technology service contracts provided the  
21 liability clause in the terms of service or contract contains  
22 standard language including a liability agreement which is  
23 considered customary or largely similar to terms of service agreed  
24

1 to or contracts entered into by other government entities and  
2 private sector enterprises.

3 I. The board shall promulgate performance metrics and  
4 guidelines which shall be used to establish criteria which govern  
5 participation in the "State Government Employee Performance  
6 Transparency Pilot Program". The board shall set a schedule for the  
7 ~~publication of performance information metrics through the~~  
8 ~~"data.ok.gov" website.~~

9 J. For the purposes of this section, "open technology  
10 standards" are widely accepted standards and mechanisms for the web-  
11 based connectivity and asynchronous communication between software  
12 programs. "Application programming interface" is a standardized  
13 interface enabling a standard form of connectivity between  
14 convenience information sets and software programs, and "performance  
15 information metrics" are sets of information which reflect the  
16 performance of state employees and state agencies, ~~and "convenience~~  
17 ~~information sets" are.~~ For purposes of this section, "data sets"  
18 shall mean sets of information which are subject to public access  
19 under the Oklahoma Open Records Act ~~and which do not contain~~  
20 ~~personally identifiable information.~~

21 SECTION 3. NEW LAW A new section of law to be codified  
22 in the Oklahoma Statutes as Section 34.11.2.1 of Title 62, unless  
23 there is created a duplication in numbering, reads as follows:

24

1 A. The Chief Information Officer shall cause the following data  
2 sets to be made available for public access through the *data.ok.gov*  
3 portal:

4 1. A month-to-month accounting of each fund and account in which  
5 state moneys are kept. This data set shall include the name of the  
6 fund, state agency which utilizes the fund and the amount of  
7 expenditures from the fund occurring in each month.

8 2. A listing of exception requests from mandatory statewide  
9 purchasing contracts, disposition of each exception request, state  
10 agency requesting the exception and identification of the contract  
11 and specific item for which the exception was requested;
