Except that if surrender charge scales are measured from the date of each premium payment, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the payment, whichever is later.

SECTION 11. AMENDATORY 36 O.S. 2011, Section 6123, is amended to read as follows:

Section 6123. Sections 6121 through 6136.18 of this title shall be administered by the Insurance Commissioner. All contracts for prepaid funeral benefits shall be in writing and no contract form shall be used without first being approved by the Insurance Commissioner. On any prepaid funeral when the person dies and the funeral is performed, and the money is drawn down, any organization receiving the monies so drawn down shall retain the itemized statement of charges in the files of the organization for at least ~~three (3)~~ six (6) years.

SECTION 12. AMENDATORY 36 O.S. 2011, Section 6125, is amended to read as follows:

Section 6125. A. 1. The organization may retain from the first funds collected, the first ten percent (10%) of the purchase price of all contracts issued pursuant to paragraph 1 of subsection B of this section. Thereafter, one hundred percent (100%) of all funds collected pursuant to the provisions of contracts for prepaid funeral benefits, except for outer enclosures as defined by the Funeral Services Licensing Act, shall be placed in interest-bearing investments authorized by Article 16 of the Insurance Code, except to the extent the Insurance Commissioner may determine that a particular asset may be inappropriate for investment for prepaid funeral benefits.

2. For outer enclosures at the option of the organization the first thirty-five percent (35%) of the retail price of the outer enclosures collected may be retained by the organization. The remaining sixty-five percent (65%) of the retail price collected for the outer enclosures shall be invested as otherwise provided by this subsection pursuant to the provisions of contracts for prepaid funeral benefits.

3. The funds required to be deposited pursuant to paragraphs 1 and 2 of this subsection shall be deposited within ten (10) days after the collection of the funds and shall be held in a trust fund in this state for the use, benefit, and protection of purchasers of contracts for prepaid funeral benefits. Nothing contained within this section shall be construed to prohibit an organization authorized to accept prepaid funds from transferring the funds held in trust from one trust depository to another if notice of the transfer is given to the Insurance Commissioner within ten (10) days before the transfer and the organization transferring the funds remains the designated trustor. This subsection shall not affect funds invested prior to November 1, 1988.

B. An organization authorized to accept prepaid funds shall be authorized to provide purchasers with a choice of either of the following types of contracts:

1. A contract for Specific and Described Funeral Merchandise and Service at a Guaranteed Price. The provisions of this type of contract shall provide that interest paid by the organization upon monies deposited in trust shall be added to the principal and that principal and interest shall become available for disbursement to the organization upon the death of the beneficiary and if withdrawal of monies occurs prior to death, the net value, plus the amount withheld pursuant to paragraph 1 of subsection A of this section,

shall be paid to the purchaser. Net value of the contract for purposes of this section shall be determined by adding the amount of all principal paid in pursuant to the provisions of the contract plus all interest payable pursuant to subsection D of this section less taxes and administrative fees;

2. A contract establishing a fund for prepaid funeral benefits. The provisions of this type of contract shall require an initial minimum deposit of Twenty-five Dollars ($25.00) and shall grant the purchaser the right to add to the fund at the discretion of the purchaser. The provisions of this contract shall provide that the funds accumulated shall apply to the cost of the funeral services and merchandise selected and that any funds remaining unused shall be refunded to the purchaser or to the personal representative or designated beneficiary of the purchaser and if withdrawal of monies occurs prior to death, the organization may retain from the interest, all interest incurred in excess of the minimum amount payable pursuant to subsection D of this section less taxes and administrative fees. This type of contract shall also bear upon it the language: "Exact Funeral Merchandise and Services to be Selected at Time of Death";

3. Notwithstanding the provisions of this section, at no time shall the purchaser of a contract for Specific and Described Funeral Merchandise and Service at a Guaranteed Price receive upon any withdrawal or transfer a sum less than the original principal collected; or

4. Notwithstanding the provisions of this section, at no time shall the purchaser of a contract for Exact Funeral Merchandise and Services to be Selected at Time of Death receive upon any full withdrawal or transfer prior to death a sum less than the original principal collected available at death, with the exception of those accounts which bear principal reduced by previously made cash withdrawals.

C. If an organization other than the organization with which the purchaser contracted provides funeral merchandise and services upon the death of the beneficiary of the contract, the organization with whom the purchaser contracted shall forward, upon receipt of request in writing from the purchaser or the personal representative of the purchaser, the net value of the contract plus the amount withheld pursuant to paragraph 1 of subsection A of this section to the organization which provided the merchandise and services or to the purchaser or the personal representative of the purchaser.

D. Funds deposited in trust pursuant to the provisions of either type of contract authorized by the provisions of this section shall earn for the account of the purchaser a rate of interest which is not less than the minimum rate of interest offered by the qualified investments specified in subsection A of this section to the savings customers of the qualified investments having interest-bearing accounts. The organization, in a nondiscriminatory manner, may pay or accrue interest for the accounts of purchasers at any rate greater than the minimum rate that the organization desires, provided, however, that the organization may retain from the interest, all interest incurred in excess of the minimum amount payable pursuant to this subsection.

E. A purchaser of either of the types of contracts authorized by the provisions of this section may withdraw the net value of the contract by signing a statement requesting the withdrawal. The organization shall retain in its files a copy of the statement requesting the withdrawal. Withdrawal of funds deposited pursuant to the provisions of a contract authorized by the provisions of paragraph 1 of subsection B of this section shall void the obligation of the contracting organization to provide funeral merchandise and services at a guaranteed price. Withdrawal forms shall be retained on file for at least ~~three (3)~~ six (6) years by the organization.

F. Following the death of a beneficiary for whom a contract has been purchased, the organization shall prepare a statement, acknowledged by the purchaser if the purchaser is not the beneficiary, or by the personal representative of the purchaser if the purchaser is the beneficiary, setting forth the use of the funds deposited and the party to whom any unused funds were disbursed. A copy of this statement shall remain in the files of the organization for at least ~~three (3)~~ six (6) years and a copy shall be delivered to the trust depository and the purchaser.

G. After thirty (30) days, a contract of either type authorized by the provisions of this section may become irrevocable and not subject to withdrawal prior to the death of the beneficiary if the purchaser signs an election making the contract irrevocable. This election shall not become effective until thirty (30) days after signing the original contract.

H. In no event shall more funds be withdrawn or paid pursuant to the provisions of one contract than were deposited with the

organization and which were accumulated as interest. All funds deposited pursuant to the provisions of a contract authorized by the provisions of this section and deposited pursuant to the terms of this section and the interest earned on the funds shall be exempt from attachment, garnishment, execution, and the claims of creditors, receivers, or trustees in bankruptcy, until the time the funds have been withdrawn from the trust account and paid to the organization or refunded to the purchaser.

I. Each organization subject to the provisions of this section shall furnish a bond in the form of a cash bond, letter of credit, or fidelity bond, to be approved by the Insurance Commissioner, in the amount of Three Hundred Thousand Dollars ($300,000.00) or fifteen percent (15%) of all funds collected for prepaid funeral benefits, whichever is less.

J. Organizations contracting with purchasers for prepaid funeral benefits pursuant to paragraphs 1 and 2 of subsection B of this section shall be entitled to deduct from the principal and interest allocable to the contracts an administrative fee which shall not exceed the product of .001146 times the total contract fund including accrued interest per month or any major portion thereof.

K. No organization holding a permit issued pursuant to the provisions of Sections 6121 and 6124 of this title shall accept any funds except pursuant to the provisions of a contract for prepaid funeral or burial benefits authorized by the provisions of Sections 6121 through 6136.18 of this title, and no organization shall accept funds from a purchaser in excess of the contracted price of prepaid funeral or burial benefits purchased.

L. Any organization which knowingly commits any of the acts set forth in the first sentence of Section 6121 of this title without first having obtained a permit to engage in the stated activity from the Insurance Commissioner, or any organization which commits the acts while knowingly operating with an invalid or expired permit, upon conviction, shall be guilty of a misdemeanor. Each separate act performed without a valid permit shall be deemed a separate offense. The punishment upon conviction for the offense shall be a fine not to exceed One Thousand Dollars ($1,000.00) or imprisonment in the county jail for not less than sixty (60) days nor more than one (1) year, or both such fine and imprisonment.

SECTION 13. AMENDATORY 36 O.S. 2011, Section 6125.2, is amended to read as follows:

Section 6125.2 A. Contracts for prepaid funeral benefits provided for pursuant to Section 6125 of this title may be funded by assignments of life insurance proceeds to the contracting organization.

B. A guaranteed contract for prepaid funeral benefits provided for pursuant to paragraph 1 of subsection B of Section 6125 of this title which is to be funded by assignment of life insurance proceeds shall provide that:

1. The contract be funded by a life insurance policy issued in the face amount of the current purchase price of the contract for prepaid funeral benefits;

2. All accrued benefits under the policy shall become available for disbursement to the organization upon the death of the beneficiary of the prepaid funeral contract;

3. The beneficiary shall be the same individual under the contract as the insured under the life insurance policy; and

4. The disbursement of life insurance proceeds to the organization shall constitute payment in full to the organization for the services and merchandise contracted for.

C. A nonspecified contract for prepaid funeral benefits provided for pursuant to paragraph 2 of subsection B of Section 6125 of this title which is to be funded by assignment of life insurance proceeds shall provide that:

1. The total proceeds paid to the organization under the policy shall not exceed the actual retail cost of the funeral services and merchandise at the time of delivery;

2. Any funds remaining unused shall be refunded to the purchaser or to the personal representative of the purchaser or designated beneficiary; and

3. After November 1, 2009, all price lists reflecting the actual retail cost of funeral services and merchandise used at the time of the delivery of services shall be retained for a period of at least ~~three (3)~~ six (6) years.

D. A violation of this section shall constitute a misdemeanor and shall be punished by a fine of not less than One Hundred Dollars ($100.00) nor more than Five Hundred Dollars ($500.00) or by imprisonment in the county jail for not less than one (1) month nor more than six (6) months, or by both such fine and imprisonment.

SECTION 14. AMENDATORY 36 O.S. 2011, Section 6217, as last amended by Section 14, Chapter 44, O.S.L. 2012 (36 O.S. Supp. 2012, Section 6217), is amended to read as follows:

Section 6217. A. All licenses issued pursuant to the provisions of the Insurance Adjusters Licensing Act shall continue in force not longer than twenty-four (24) months. The renewal dates for the licenses may be staggered throughout the year by notifying licensees in writing of the expiration and renewal date being assigned to the licensees by the Insurance Commissioner and by making appropriate adjustments in the biennial licensing fee.

B. Any licensee applying for renewal of a license as an adjuster shall have completed not less than twenty-four (24) clock hours of continuing insurance education, of which three (3) hours shall be in ethics, within the previous twenty-four (24) months prior to renewal of the license. The Insurance Commissioner shall approve courses and providers of continuing education for insurance adjusters as required by this section.

The Insurance Department may use one or more of the following to review and provide a nonbinding recommendation to the Insurance Commissioner on approval or disapproval of courses and providers of continuing education:

1. Employees of the Insurance Commissioner;

2. A continuing education advisory committee. The continuing education advisory committee is separate and distinct from the Advisory Board established by Section 6221 of this title;

3. An independent service whose normal business activities include the review and approval of continuing education courses and providers. The Commissioner may negotiate agreements with such independent service to review documents and other materials submitted for approval of courses and providers and present the Commissioner with its nonbinding recommendation. The Commissioner may require such independent service to collect the fee charged by

the independent service for reviewing materials provided for review directly from the course providers.

C. An adjuster who, during the time period prior to renewal, participates in an approved professional designation program shall be deemed to have met the biennial requirement for continuing education. Each course in the curriculum for the program shall total a minimum of ~~twenty (20)~~ twenty-four (24) hours. Each approved professional designation program included in this section shall be reviewed for quality and compliance every three (3) years in accordance with standardized criteria promulgated by rule. Continuation of approved status is contingent upon the findings of the review. The list of professional designation programs approved under this subsection shall be made available to producers and providers annually.

D. The Insurance Department may promulgate rules providing that courses or programs offered by professional associations shall qualify for presumptive continuing education credit approval. The rules shall include standardized criteria for reviewing the professional associations' mission, membership, and other relevant information, and shall provide a procedure for the Department to disallow a presumptively approved course. Professional association courses approved in accordance with this subsection shall be reviewed every three (3) years to determine whether they continue to qualify for continuing education credit.

E. The active service of a licensed adjuster as a member of a continuing education advisory committee, as described in paragraph 2 of subsection B of this section, shall be deemed to qualify for continuing education credit on an hour-for-hour basis.

F. 1. Each provider of continuing education shall, after approval by the Commissioner, submit an annual fee. A fee may be assessed for each course submission at the time it is first submitted for review and upon submission for renewal at expiration. Annual fees and course submission fees shall be set forth as a rule by the Commissioner. The fees are payable to the Insurance Commissioner and shall be deposited in the State Insurance Commissioner Revolving Fund, created in Section 307.3 of this title, for the purposes of fulfilling and accomplishing the conditions and purposes of the Oklahoma Producer Licensing Act and the Insurance Adjusters Licensing Act. Public-funded educational institutions, federal agencies, nonprofit organizations, not-for-profit

organizations and Oklahoma state agencies shall be exempt from this subsection.

2. The Commissioner may assess a civil penalty, after notice and opportunity for hearing, against a continuing education provider who fails to comply with the requirements of the Insurance Adjusters Licensing Act, of not less than One Hundred Dollars ($100.00) nor more than Five Hundred Dollars ($500.00), for each occurrence. The civil penalty may be enforced in the same manner in which civil judgments may be enforced.

G. H. If the request, proof of compliance with the continuing education requirement and fee for renewal of a license as an adjuster are filed with the Commissioner prior to the expiration of the existing license, the licensee may continue to act pursuant to said license, unless revoked or suspended prior to the expiration date, until the issuance of a renewal license or until the expiration of ten (10) days after the Commissioner has refused to renew the license and has mailed notice of said refusal to the licensee. Any request for renewal filed after the date of expiration may be considered by the Commissioner as an application for a new license.

Any changes to the rate manual shall be filed and approved by the Insurance Commissioner prior to use. Every filing shall be made not less than thirty (30) days prior to the date the small employer carrier intends to implement the rates. The rate manual so filed shall be deemed approved upon expiration of the

thirty-day waiting period unless, prior to the end of the period, it has been affirmatively approved or disapproved by order of the Commissioner. Approval of a rate manual by the Commissioner shall constitute a waiver of any unexpired portion of the thirty-day waiting period. The Commissioner may extend the period to approve or disapprove a rate manual by not more than an additional thirty (30) days by giving notice of such extension before expiration of the initial thirty-day period. At the expiration of an extended period, the rate filing shall be deemed approved unless otherwise approved or disapproved by the Commissioner. The Commissioner may at any time, after notice and for cause shown, withdraw approval of a filed rate;

2. A small employer health benefit plan shall not be delivered or issued for delivery unless the policy form or certificate form can be expected to return to policyholders and certificate holders in the form of aggregate benefits provided under the policy form or certificate form at least sixty percent (60%) of the aggregate amount of premiums earned. The rate of return shall be estimated for the entire period for which rates are computed to provide coverage. The rate of return shall be calculated on the basis of incurred claims experience or incurred health care expenses where coverage is provided by a health maintenance organization on a service rather than reimbursement basis and earned premiums for the period in accordance with accepted actuarial principles and practices;

3. The index rate for a rating period for any class of business shall not exceed the index rate for any other class of business by more than twenty percent (20%);

4. For a class of business, the premium rates charged during a rating period to small employers with similar case characteristics for the same or similar coverage, or the rates that could be charged to such employers under the rating system for that class of business, shall not vary from the index rate by more than twenty-five percent (25%) of the index rate;

5. The percentage increase in the premium rate charged to a small employer for a new rating period may not exceed the sum of the following:

a. the percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the

case of a health benefit plan into which the small employer carrier is no longer enrolling new small employers, the small employer carrier shall use the percentage change in the base premium rate, provided that the change does not exceed, on a percentage basis, the change in the new business premium rate for the most similar health benefit plan into which the small employer carrier is actively enrolling new small employers,

b. any adjustment, not to exceed fifteen percent (15%) annually and adjusted pro rata for rating periods of less than one year, due to the claim experience, health status or duration of coverage of the employees or dependents of the small employer as determined from the rate manual for the class of business of the small employer carrier, and

c. any adjustment due to change in coverage or change in the case characteristics of the small employer, as determined from the rate manual for the class of business of the small employer carrier;

6. Adjustments in rates for claim experience, health status and duration of coverage shall not be charged to individual employees or dependents. Any adjustment shall be applied uniformly to the rates charged for all employees and dependents of the small employer;

7. A small employer carrier may utilize industry as a case characteristic in establishing premium rates; provided, the highest rate factor associated with any industry classification shall not exceed the lowest rate factor associated with any industry classification by more than fifteen percent (15%);

8. In the case of health benefit plans issued prior to the effective date of the Small Employer Health Insurance Reform Act, a premium rate for a rating period may exceed the ranges set forth in paragraphs 3 and 4 of this subsection for a period of three (3) years following the effective date of the Small Employer Health Insurance Reform Act. In such case, the percentage increase in the premium rate charged to a small employer for a new rating period shall not exceed the sum of the following:

a. the percentage change in the new business premium rate measured from the first day of the prior rating period

to the first day of the new rating period. In the case of a health benefit plan into which the small employer carrier is no longer enrolling new small employers, the small employer carrier shall use the percentage change in the base premium rate, provided that the change does not exceed, on a percentage basis, the change in the new business premium rate for the most similar health benefit plan into which the small employer carrier is actively enrolling new small employers, and

b. any adjustment due to change in coverage or change in the case characteristics of the small employer, as determined from the rate manual of the carrier for the class of business;

9. Small employer carriers shall:

a. apply rating factors, including case characteristics, consistently with respect to all small employers in a class of business. Rating factors shall produce premiums for identical groups within the same class of business which differ only by amounts attributable to plan design and do not reflect differences due to claims experience, health status and duration of coverage, and

b. treat all health benefit plans issued or renewed in the same calendar month as having the same rating period;

10. For the purposes of this subsection, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize such a network, provided that utilization of the restricted provider network results in substantial differences in claims costs;

11. The Insurance Commissioner may establish rules to implement the provisions of this section and to assure that rating practices used by small employer carriers are consistent with the purposes of the Small Employer Health Insurance Reform Act, including:

a. assuring that differences in rates charged for health benefit plans by small employer carriers are reasonable and reflect objective differences in plan

design, not including differences due to claims experience, health status or duration of coverage, and

b. prescribing the manner in which case characteristics may be used by small employer carriers.

B. A small employer carrier shall not transfer a small employer involuntarily into or out of a class of business. A small employer carrier shall not offer to transfer a small employer into or out of a class of business unless the offer is made to transfer all small employers in the class of business without regard to case characteristics, claim experience, health status or duration of coverage.

C. The Commissioner may suspend for a specified period the application of paragraph 3 of subsection A of this section as to the premium rates applicable to one or more small employers included within a class of business of a small employer carrier for one or more rating periods upon a filing by the small employer carrier and a finding by the Commissioner either that the suspension is reasonably necessary in light of the financial condition of the small employer carrier or that the suspension would enhance the efficiency and fairness of the marketplace for small employer health insurance.

D. Nothing in the Small Employer Health Insurance Reform Act shall prohibit a small employer carrier from including in premium rate development an employer's bona fide wellness program for its employees including, but not limited to, a tobacco cessation program.
