The Commission shall determine the duties and compensation of the executive director.

B. The executive director shall recommend to the Commission the administrative organization and the number and qualifications of employees necessary without regard to race, color, gender, creed or national origin, to implement the provisions of the Oklahoma Horse Racing Act. A written equal opportunity plan will be developed for the Commission, by the executive director as part of the organizational plan. 3. The Oklahoma State Bureau of Investigation shall provide such information within its possession as is requested by the law enforcement division of the Commission for the purpose of reviewing license applications.

4. If upon investigation by the Commission there is substantial evidence indicating that the security at any track is not satisfactory, the Commission may order the organization licensee to remedy the deficiency. If after ten (10) days following the order the organization licensee has not remedied the deficiency, the Commission may institute its own security personnel program until the deficiency in security is remedied, and may charge the organization licensee the actual costs incurred for said security.

The organization licensee may petition the Commission for a hearing at any time to review the necessity of the Commission further maintaining its own security personnel.

5. The provisions of this subsection shall not be construed to restrict or prohibit any federal, state, or local law enforcement officer from performing any duties imposed upon the law enforcement officer by law.

6. The executive director is authorized to purchase and maintain motor vehicles, to authorize the purchase and issuance of uniforms for all law enforcement officers within the law enforcement division of the Oklahoma Horse Racing Commission and to purchase and issue necessary equipment for all employees of the Commission.
