BILL NO. 779

By: Barrington and Shortey of  
the Senate

and

Denney of the House

An Act relating to electric utility vehicles;  
amending 47 O.S. 2011, Section 14-103G, which relates  
to oversize and overweight load vehicle permits;  
authorizing the Department of Public Safety to issue  
annual fleet permits to certain electric utilities;  
limiting purpose of permits to moving electric poles;  
limiting length; stating fee for the permit;  
establishing issuance date; providing for delivery  
and replacement of permit; defining term; providing  
an effective date; and declaring an emergency.

SUBJECT: Electric utility vehicle permit

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 47 O.S. 2011, Section 14-103G, is  
amended to read as follows:

Section 14-103G. A. 1. The Department of Public Safety may  
issue an annual vehicle permit under the provisions of this  
subsection to a specific vehicle, for the movement of oversize or  
overweight loads that cannot reasonably be dismantled. Unless  
otherwise provided by law, permits issued under this subsection  
shall be subject to the conditions described in paragraphs 2 through  
8 of this subsection.

2. Oversize or overweight loads operating under an annual  
vehicle permit shall not exceed:

a. twelve (12) feet in width,

- b. fourteen (14) feet in height,
- c. one hundred ten (110) feet in length, or
- d. one hundred twenty thousand (120,000) pounds gross weight.

3. Oversize or overweight loads operating under an annual vehicle permit under this subsection shall not transport a load that has more than a twenty-five-foot front overhang, or more than a thirty-foot rear overhang.

4. The fee for an annual vehicle permit shall be Four Thousand Dollars (\$4,000.00) and shall be nonrefundable.

5. The annual vehicle permit shall be issued for one (1) calendar year period and shall commence upon the date specified on the permit.

6. An annual vehicle permit issued pursuant to this subsection shall be nontransferable between permittees.

7. The permitted vehicle or vehicle combination shall be registered in accordance with the provisions of Chapter 14 of Title 47 of the Oklahoma Statutes for maximum weight.

8. An annual vehicle permit issued pursuant to this subsection may be transferred from one vehicle to another vehicle in the fleet of the permittee provided:

- a. the permitted vehicle is destroyed or otherwise becomes permanently inoperable to the extent that the vehicle will no longer be utilized, and the permittee presents proof to the Department of Public Safety that the negotiable certificate of title or other qualifying documentation has been surrendered to the Department of Public Safety, or
- b. the certificate of title to the permitted vehicle is transferred to someone other than the permittee, and the permittee presents proof to the Department of

Public Safety that the negotiable certificate of title or other qualifying documentation has been transferred from the permittee.

9. A permit issued for loads specific to turbine blades, used for the purpose of wind generation, may exceed a length of one hundred ten (110) feet.

B. 1. The Department of Public Safety may issue an annual vehicle permit under this subsection to a specific motor carrier, for the movement of oversize or overweight loads that cannot reasonably be dismantled. An annual vehicle permit issued under this subsection may be transferred from one vehicle to another vehicle in the fleet of the permittee provided:

- a. that no more than one vehicle is operating at a time, and
- b. the original certified permit is carried in the vehicle that is being operated under the terms of the permit.

2. An annual vehicle permit issued under this subsection shall be sent to the permittee via first-class, registered mail, or at the request and expense of the permittee via overnight delivery service. The annual vehicle permit shall not be duplicated. The annual vehicle permit shall be replaced only if:

- a. the permittee did not receive the original permit within seven (7) business days after the date of issuance,
- b. a request for replacement is submitted to the Department of Public Safety within ten (10) business days after the original date of issuance of the permit, and
- c. the request for replacement is accompanied by a notarized statement signed by a principal or officer of the permittee acknowledging that the permittee understands the permit may not be duplicated and that if the original permit is located, the permittee shall

return either the original or replacement permit to the Department of Public Safety.

3. A request for replacement of an annual vehicle permit issued pursuant to the provisions of this subsection shall be denied if the Department of Public Safety can verify that the permittee received the original annual vehicle permit.

4. Lost, misplaced, damaged, destroyed, or otherwise unusable annual vehicle permits shall not be replaced. A new permit shall be required and shall be issued by the Department of Public Safety.

C. 1. The Department of Public Safety may issue an annual fleet permit under this subsection to an electric utility, regulated by the Corporation Commission of Oklahoma or a rural electric cooperative solely for the movement of poles. An annual fleet permit issued under this subsection may be used by any vehicle in the fleet of the permittee provided that a certified copy of the permit is carried in each vehicle that is being operated under the terms of the permit.

2. Oversize loads operating under an annual permit issued pursuant to this subsection shall not exceed:

- a. twelve (12) feet in width,
- b. fourteen (14) feet in height, or
- c. fifty-five (55) feet in length.

3. The annual fee for an annual fleet permit issued pursuant to this subsection shall be Four Thousand Dollars (\$4,000.00) and shall be nonrefundable.

4. The annual fleet permit shall be issued for a one-calendar-year period and shall commence upon the date specified on the permit.

5. The annual fleet permit issued under this subsection shall be sent to the permittee via first class, registered mail, or at the request and expense of the permittee via overnight delivery service. The annual permit shall be replaced only if:

- a. the permittee did not receive the original permit within seven (7) business days after the date of the issuance,
- b. a request for replacement is submitted to the Department of Public Safety within ten (10) business days after the original date of issuance of the permit, and
- c. the request for replacement is accompanied by a notarized statement signed by an authorized person of the permittee acknowledging that if the original permit is located, the permittee shall either return the original or replacement permit to the Department of Public Safety.

6. A request for replacement of an annual permit issued under the provisions of this subsection shall be denied if the Department of Public Safety can verify the permittee received the original annual permit.

7. Lost, misplaced, damaged, destroyed or otherwise unusable annual permits shall not be replaced. A new permit shall be required and shall be issued by the Department of Public Safety.

8. For the purposes of paragraph 5 of subsection C of Section 14-103 of this title, the term "emergency" means any permitted movement of poles pursuant to the provisions of this subsection that is not for new construction of electric distribution facilities.

SECTION 2. This act shall become effective July 1, 2013.

SECTION 3. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
