d. a death with drug involvement, but the manner of death could not be determined.

3. A fatality shall not be considered a drug-related death unless the medical examiner determines that the drug or drugs present in the deceased materially contributed to the death.

B. Copies of reports shall be furnished by the Chief Medical Examiner to investigating agencies having official interest therein. Copies of reports shall also be furnished to the spouse of the deceased or any person within one degree of consanguinity of the deceased upon request and within five (5) business days of the request once the cause and manner of death have been determined and the death certificate has been issued."
