12 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

13 SECTION 1. NEW LAW A new section of law to be codified
14 in the Oklahoma Statutes as Section 583.1 of Title 57, unless there
15 is created a duplication in numbering, reads as follows:

16 Before a level-one offender or a level-two offender can be
17 removed from the registry upon completion of the offender's required
18 registration period as specified in subsections C and D of Section
19 583 of Title 57 of the Oklahoma Statutes, the Department of
20 Corrections sex offender level assignment committee shall make a
21 written determination as to whether the offender has fulfilled the
22 registration requirements imposed by the Sex Offenders Registration
23 Act. In making its determination, the sex offender level assignment
24 committee shall examine the Department of Corrections' records

1 regarding the offender's compliance with the requirements of the Sex
2 Offenders Registration Act. If an offender has fully completed the
3 requirements of the Sex Offenders Registration Act for the required
4 registration period applicable to the person's assigned level, the
5 sex offender level assignment committee shall recommend to the
6 Department of Corrections that the Department remove all information
7 about the person from the public registry of sex offenders
8 maintained by the Department, and the Department shall do so. If
9 there is any amount of time during which the offender did not
10 properly fulfill the requirements of the Sex Offenders Registration
11 Act, the Department of Corrections sex offender level assignment
12 committee may recommend to the Department that the same amount of
13 time during which the offender was not in compliance be added to the
14 offender's time on the registry, and the Department may enforce that
15 additional registration requirement until the sex offender level
16 assignment committee determines that the offender has properly
17 registered for the amount of time required by the Sex Offenders
18 Registration Act. The Department of Corrections may override the
19 determinations of the sex offender level assignment committee, but
20 shall produce a written record of the reasons why the committee's
21 determination has been overridden.

22 SECTION 2. This act shall become effective November 1, 2013.
