10 systems created by state agencies, boards, commissions, or
11 authorities, reviewing portal systems applications approved or
12 denied by the Information Services Division of the Office of
13 Management and Enterprise Services, and making recommendations to
14 the Legislature and Governor to encourage greater use of the open-
15 systems concept as is defined in Section 34.26 of this title;

16 3. Approving the plan of action developed by the Chief
17 Information Officer as provided for in Section 34.11.1 of this
18 title, providing ongoing oversight of implementation of the plan of
19 action by the Chief Information Officer and approving any amendments
20 to the plan of action;

21 4. Approving charges to state agencies established by the Chief
22 Information Officer pursuant to Section 34.11.1 of this title for
23 their use of shared information technology and telecommunications
24 services;

1 5. Functioning in an advisory capacity to the Chief Information
2 Officer; ~~and~~

3 6. Developing performance metrics for quantifying the value of
4 goods or services provided by state agencies and for considering if
5 goods and services provided by a state agency could be modernized
6 through the implementation of new technology to provide better
7 quality goods or services that would result in cost savings or best
8 value; and

9 7. Creating a recovery-of-cost policy through which public
10 entities may establish guidelines for the issuance of technology
11 resources to users of services provided by the public entity.

12 SECTION 3. This act shall become effective July 1, 2013.

13 SECTION 4. It being immediately necessary for the preservation
14 of the public peace, health and safety, an emergency is hereby
15 declared to exist, by reason whereof this act shall take effect and
16 be in full force from and after its passage and approval.
