MESSAGES FROM THE GOVERNOR

Advising of her veto of **HB 1881** on April 16, 2013. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fifty-fourth Oklahoma Legislature

Enrolled House Bill No. **1881**

By: Coody et al of the House and Stanislawski of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED House Bill **1881**.

The State of Oklahoma currently has hundreds of agencies, boards, and commissions. One of my focuses since taking office has been to streamline government, reduce the number of entities, and to create a more efficient and accountable state government.

While school transportation is an important issue worthy of review, this issue can be addressed by establishing the School Transportation Task Force through executive order, rather than passing legislation and adding statutory provisions to our already lengthy legal code. Creation of this task force through an executive order will ensure the task force is productive, fully serves its purpose, and has a final end date.

This legislation also inadvertently creates an additional financial burden to state agencies by requiring them to provide mileage reimbursements to task force members.

House Bill **1881** is not consistent with my commitment to reducing the size and cost of state government.

To the Honorable Speaker of the House

First Regular Session, Fifty-fourth Oklahoma Legislature

Enrolled House Bill No. **1985**

By: Brumbaugh of the House and Stanislawski of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED House Bill **1985**.

The State of Oklahoma currently has hundreds of agencies, boards, and commissions. One of my focuses since taking office has been to streamline government, reduce the number of entities, and to create a more efficient and accountable state government.

While the impact on Oklahoma ports due to the reopening of the Panama Canal is an important issue worthy of review, this issue can be addressed by establishing the Oklahoma Port Task Force through executive order, rather than passing legislation and adding statutory provisions to our already lengthy legal code. Creation of this task force through an executive order will ensure the task force is productive, fully serves its purpose, and has a final end date.

This legislation also inadvertently creates an additional financial burden to state agencies by requiring them to provide mileage reimbursements to task force members.
