

BILL SUMMARY
1st Session of the 54th Legislature

Bill No.:	HB 1347
Version:	Committee Substitute
Request Number:	6951
Author:	Rep. Kirby
Date:	2/21/2013
Impact:	OSDH: minimal

Research Analysis

The CS for HB 1347 provides that the State Department of Health will promulgate rules to require pulse oximetry screening on newborns prior to discharge from a birthing facility.

Prepared By: Scott C. Tohlen

Fiscal Analysis

HB 1347 in its current form requires the State Department of Health (OSDH) to promulgate rules to require birthing facilities to perform pulse oximetry screenings on newborns prior to discharge. OSDH costs associated to the measure are limited to the cost of promulgating administrative rules; which should be minimal.

Prepared By: John McPhetridge

Other Considerations

None.
