

BILL SUMMARY
1st Session of the 54th Legislature

Bill No.:	HB 1385
Version:	Com. Sub.
Request Number:	N/A
Author:	Representative Coody
Date:	2/18/2013
Impact:	\$0

Research Analysis

The committee substitute clarifies that school districts or school sites will be identified as in need of improvement rather than listed on the school improvement list. The measure also specifies that the State Board of Education will use academic performance data rather than Academic Performance Index scores for measurements for certain programs including the Academic Achievement Award program. The measure also repeals the section of law that establishes the Academic Performance Index program.

Prepared By: Dawn Marks

Fiscal Analysis

Committee Sub. for HB 1385 repeals the section of language related to the Academic Performance Index, and provides cleanup language. The measure has no fiscal impact.
