1st Session of the 54th Legislature

Bill No.:	HB 2005
Version:	CS
Request Number:	6877
Author:	Rep. McNiel
Date:	2/17/2013
Impact:	Tax Commission:
	\$0

Research Analysis

The CS for HB 2005 removes the term “qualified electric motor vehicle property” and its definition. Additionally, the measure extends the qualified clean-burning motor vehicle fuel tax credit until January 1st, 2020.

Fiscal Analysis

No additional revenue reduction is expected as the result of the sunset date extension. Also, the credit for electric motor vehicle property expired on July 1, 2010; therefore, no additional fiscal impact is anticipated.
