Fiscal Analysis

SB 2305 directs the Oklahoma Health Care Authority with regard to Appropriation and Budget issues as follows:

Section 1: exercise general administrative authority and pay certain professional expenses.

Section 2: establishes categorical budgetary limits, governing the expenditure of up to \$5,584,814,257 of state, federal and revolving funds.

Section 3: provides for certain fund transfers to facilitate cash management.

Section 4: authorizes certain fund transfers.

Section 5: provides process to permit certain funds be exempted from budgetary limitations.

Section 6: provides for certain transfers to agency's disbursing fund.

Section 7: authorizes process for early allocation request.

Section 8: provides lapse dates
