

BILL SUMMARY
2nd Session of the 54th Legislature

Bill No.:	HB 3027
Version:	Com.Sub.
Request Number:	10272
Author:	Rep. Shannon
Date:	3/7/2014
Impact:	Minimal travel reimbursement savings and pilot program cost savings

Research Analysis

Not required.

Prepared By: Marcia Goff

Fiscal Analysis

The measure repeals the Student Tracking and Reporting Pilot Program and five member committee. The program's purpose was to provide for the development and implementation of a specified horizontal school district and school site level student data management and reporting system. The committee was required to provide a report by July 1, 2006.

The fiscal impact is minimal savings as related to travel reimbursements and pilot program costs.
