Bill Summary and Fiscal Impact

Agency: Higher Ed

Bill Number: SB 1223

Senate Author: Simpson

House Author: Ownbey

FY '15 Impact: Unknown

Full Year Impact: Unknown

Bill Summary and Comments: Classifying veterans as in-state students would not be a factor on the bottom line for universities because it does not diminish the total number of non-resident students the schools could accept. It is possible that it could have a positive impact in that students that might not have considered Oklahoma for college would do so now. These benefits include in-state tuition fees that they might not otherwise have received.
