Re: Floor Amendment to Engrossed Senate Bill No. 1103
FA1 McDanielRa-MAH

FA1 to Engrossed Senate Bill No. 1103 restores the title and changes the effective date to November 1, 2013. The amendment excludes compensation for clinical related activity performed for Oklahoma State University for Health Sciences from the definition of compensation used by OTRS for benefit purposes and contributions.

FA1 to Engrossed Senate Bill No. 1103 is a nonfiscal retirement bill as defined by the Oklahoma Pension Legislation Actuarial Analysis Act.
