Re: Committee Substitute for Houseate Bill No. 2624  
RBH No. 9907  
Pension Responsibility Act

Committee Substitute for Senate Bill No. 2624 requires the State's pension system to have contributions equal to the actuarially determined contribution amount, not to exceed the 15% of General Revenue Fund.

Committee Substitute for Senate Bill No. 2624 is a nonfiscal retirement bill as defined by the Oklahoma Pension Legislation Actuarial Analysis Act.
