Re: Conference Committee Substitute for Senate Bill No. 1103
RBS No. 1870

Conference Committee Substitute for Engrossed Senate Bill No. 1103 conforms the law to the practice of OTRS and the institutions.

The bill excludes compensation for clinical related activity from the OU Health Sciences Center and from the OSU for Health Sciences Professional Practice Plans from the definition of compensation in the Oklahoma Teachers Retirement System.

Conference Committee Substitute for Engrossed Senate Bill No. 1103 is a nonfiscal retirement bill as defined by the Oklahoma Pension Legislation Actuarial Analysis Act.
