15 pursuant to subsection A of Section 5-410 of this title, that the  
16 individual ordered to undergo a program of alternative treatment to  
17 hospitalization is not complying with the order or that the  
18 alternative treatment program has not been sufficient to prevent  
19 harm or injury which the individual may be inflicting upon himself  
20 or others, the court may order the person to show cause why the  
21 court should not:

22 a. implement other alternatives to hospitalization,  
23 modify or rescind the original order or direct the  
24 individual to undergo another program of alternative

1 treatment, if necessary and appropriate, based on  
2 written findings of the court, or

3 b. enter an order of admission pursuant to the provisions  
4 of this title, directing that the person be committed  
5 to inpatient treatment and, if the individual refuses  
6 to comply with this order of inpatient treatment, the  
7 court may direct a peace officer to take the  
8 individual into protective custody and transport the  
9 person to a public or private facility designated by  
10 the court.

11 3. The court shall give notice to the person ordered to show  
12 cause and hold the hearing within seventy-two (72) hours of the  
13 notice. The person ordered to undergo a program of alternative  
14 treatment shall not be detained in emergency detention pending the  
15 show cause hearing unless, prior to the emergency detention, the  
16 person has undergone an initial examination and a determination is  
17 made that emergency detention is warranted.

18 4. If an order of alternative treatment will expire without  
19 further review by the court and it is believed that the individual  
20 continues to require treatment, a person competent to file or  
21 request the filing of a petition, pursuant to subsection A of  
22 Section 5-410 of this title, may file or request the district  
23 attorney file either an application for an extension of the court's  
24 previous order or an entirely new petition for a determination that

1 the individual is a person requiring treatment or an assisted  
2 outpatient.

3 5. A hearing on the application or petition filed pursuant to  
4 paragraph 4 of this subsection shall be held within ten (10) days  
5 after the application or petition is filed, unless the court extends  
6 the time for good cause. In setting the matter for hearing, the  
7 court shall consider whether or not the prior orders of the court  
8 will expire during the pendency of the hearing and shall make  
9 appropriate orders to protect the interests of the individual who is  
10 the subject of the hearing.

11 C. Prior to ordering the inpatient treatment of an individual,  
12 the court shall inquire into the adequacy of treatment to be  
13 provided to the individual by the facility, and inpatient treatment  
14 shall not be ordered unless the facility in which the individual is  
15 to be treated can provide such person with treatment which is  
16 adequate and appropriate to such person's condition.

17 D. Nothing in this section shall prohibit the Department of  
18 Mental Health and Substance Abuse Services or the facility or  
19 program providing the alternative treatment from discharging a  
20 person admitted pursuant to this section, at a time prior to the  
21 expiration of the period of alternative treatment, or any extension  
22 thereof. The facility or program providing the alternative  
23 treatment shall file a report with the court outlining the  
24

1 disposition of each person admitted pursuant to this section within  
2 forty-eight (48) hours after discharge.

3 E. Notice of any proceedings pursuant to this section shall be  
4 given to the person, the person's guardian, the person's attorney,  
5 and the person filing the petition or application.

6 F. If the petition alleges the person to be an assisted  
7 outpatient as provided in Section 7 of this act, the court shall not  
8 order assisted outpatient treatment unless the petitioning licensed  
9 mental health professional develops and provides to the court a  
10 proposed written treatment plan. All service providers included in  
11 the treatment plan shall be notified regarding their inclusion in  
12 the written treatment plan. Where deemed advisable, the court may  
13 make a finding that a person is an assisted outpatient and delay the  
14 treatment order until such time as the treatment plan is provided to  
15 the court. Such plan shall be provided to the court no later than  
16 the date set by the court pursuant to subsection J of this section.

17 G. The licensed mental health professional who develops the  
18 written treatment plan shall provide the following persons with an  
19 opportunity to actively participate in the development of such plan:

- 20 1. The assisted outpatient;
- 21 2. The treating physician, if any;
- 22 3. The treatment advocate as defined in Section 1-109.1 of this  
23 title, if any; and

24

1       4. An individual significant to the assisted outpatient,  
2 including any relative, close friend or individual otherwise  
3 concerned with the welfare of the assisted outpatient, upon the  
4 request of the assisted outpatient.

5       H. The licensed mental health professional shall make a  
6 reasonable effort to gather relevant information for the development  
7 of the treatment plan from a member of the assisted outpatient's  
8 family or significant other. If the assisted outpatient has  
9 executed an advance directive for mental health treatment, the  
10 physician shall consider any directions included in such advance  
11 directive for mental health treatment in developing the written  
12 treatment plan.

13       I. The court shall not order assisted outpatient treatment  
14 unless the petitioner testifies to explain the proposed written  
15 treatment plan; provided, the parties may stipulate upon mutual  
16 consent that the petitioner need not testify. The petitioner shall  
17 state facts which establish that such treatment is the least  
18 restrictive alternative. If the assisted outpatient has executed an  
19 advance directive for mental health treatment, the licensed mental  
20 health professional shall state the consideration given to any  
21 directions included in such advance directive for mental health  
22 treatment in developing the written treatment plan. Such testimony  
23 shall be given on the date set by the court pursuant to subsection J  
24 of this section.

1 J. If the court has yet to be provided with a written treatment  
2 plan at the time of the hearing in which the court finds a person to  
3 be an assisted outpatient, the court shall order such treatment plan  
4 and testimony no later than the third day, excluding Saturdays,  
5 Sundays and holidays, immediately following the date of such hearing  
6 and order; provided, the parties may stipulate upon mutual consent  
7 that such testimony need not be provided. Upon receiving such plan  
8 and any required testimony, the court may order assisted outpatient  
9 treatment as provided in this section.

10 K. A court may order the patient to self-administer  
11 psychotropic drugs or accept the administration of such drugs by  
12 authorized personnel as part of an assisted outpatient treatment  
13 program. Such order may specify the type and dosage range of such  
14 psychotropic drugs and such order shall be effective for the  
15 duration of such assisted outpatient treatment.

16 L. A copy of any court order for assisted outpatient treatment  
17 shall be served personally, or by mail, facsimile or electronic  
18 means, upon the assisted outpatient, the assisted outpatient  
19 treatment program and all others entitled to notice under the  
20 provisions of subsection D of Section 5-412 of this title.

21 M. The initial order for assisted outpatient treatment shall be  
22 for a period of one (1) year. Within thirty (30) days prior to the  
23 expiration of the order, a licensed mental health professional  
24 employed by the Department of Mental Health and Substance Abuse

1 Services or employed by a community mental health center certified  
2 by the Department pursuant to Section 3-306.1 of this title may file  
3 a petition to extend the order of outpatient treatment. Notice  
4 shall be given in accordance with Section 5-412 of this title. The  
5 court shall hear the petition, review the treatment plan and  
6 determine if the assisted outpatient continues to meet the criteria  
7 for assisted outpatient treatment and such treatment is the least  
8 restrictive alternative. If the court finds the assisted outpatient  
9 treatment should continue, it will make such an order extending the  
10 assisted treatment an additional year and order the treatment plan  
11 updated as necessary. Subsequent extensions of the order may be  
12 obtained in the same manner. If the court's disposition of the  
13 motion does not occur prior to the expiration date of the current  
14 order, the current order shall remain in effect for up to thirty  
15 (30) additional days until such disposition.

16 N. In addition to any other right or remedy available by law  
17 with respect to the order for assisted outpatient treatment, the  
18 assisted outpatient or anyone acting on the assisted outpatient's  
19 behalf may petition the court on notice to every facility providing  
20 treatment pursuant to the assisted outpatient treatment order to  
21 stay, vacate or modify the order.

22 O. Facilities providing treatment pursuant to the assisted  
23 outpatient treatment order shall petition the court for approval  
24 before instituting a proposed material change in the assisted

1 outpatient treatment plan, unless such change is authorized by the  
2 order of the court. Such petition shall be filed on notice to the  
3 assisted outpatient, any treatment advocate designated by the  
4 assisted outpatient pursuant to this title, any attorney  
5 representing the assisted outpatient, and any guardian appointed by  
6 the court to represent the assisted outpatient. Not later than five  
7 (5) days after receiving such petition, excluding Saturdays, Sundays  
8 and holidays, the court shall hold a hearing on the petition;  
9 provided, that if the assisted outpatient informs the court that he  
10 or she agrees to the proposed material change, the court may approve  
11 such change without a hearing. Nonmaterial changes may be  
12 instituted to the assisted outpatient treatment plan without court  
13 approval. For the purposes of this subsection, a material change is  
14 an addition or deletion of a category of services to or from a  
15 current assisted outpatient treatment plan or any deviation, without  
16 the assisted outpatient's consent, from the terms of a current order  
17 relating to the administration of psychotropic drugs.

18 P. Where, in the clinical judgment of a licensed mental health  
19 professional:

20 1. The assisted outpatient has failed or refused to comply with  
21 the assisted outpatient treatment;

22 2. Efforts were made to solicit compliance; and

23 3. Such assisted outpatient appears to be a person requiring  
24 treatment,

1 the licensed mental health professional may cause the assisted  
2 outpatient to be taken into protective custody pursuant to the  
3 provisions of Sections 5-206 through 5-209 of this title or may  
4 refer or initiate proceedings pursuant to Sections 5-410 through 5-  
5 415 of this title for involuntary commitment to a hospital, or may  
6 return the assisted outpatient to a facility providing treatment  
7 pursuant to the assisted outpatient treatment plan to determine if  
8 the assisted outpatient will comply with the treatment plan.

9 Failure or refusal to comply with assisted outpatient treatment  
10 shall include, but not be limited to, a substantial failure to take  
11 medication, to submit to blood testing or urinalysis where such is  
12 part of the treatment plan, failure of such tests or failure to  
13 receive treatment for alcohol or substance abuse if such is part of  
14 the treatment plan.

15 Q. Failure to comply with an order of assisted outpatient  
16 treatment shall not be grounds for involuntary civil commitment or a  
17 finding of contempt of court.

18 SECTION 9. AMENDATORY 43A O.S. 2011, Section 5-417, as  
19 amended by Section 3, Chapter 3, O.S.L. 2013 (43A O.S. Supp. 2015,  
20 Section 5-417), is amended to read as follows:

21 Section 5-417. A precommitment examination ordered by the court  
22 shall include, but is not limited to:

- 23 1. A physical evaluation;
- 24 2. A mental evaluation;

1 3. A social history;

2 4. A study of the individual's family and community situation;

3 5. A list of available forms of care and treatment which may  
4 serve as an alternative to admission to a hospital;

5 6. Powers of attorney or advance health care directives, if  
6 any; and

7 7. A recommendation as to the least restrictive placement  
8 suitable to the person's needs, as identified by this section,  
9 should the individual be ordered to undergo treatment by the court.  
10 Programs other than hospitalization to be considered shall include,  
11 but not be limited to, outpatient clinics, assisted outpatient  
12 treatment where available, extended care facilities, nursing homes,  
13 sheltered care arrangements, home care and homemaker services, and  
14 other treatment programs or suitable arrangements.

15 SECTION 10. AMENDATORY 43A O.S. 2011, Section 5-419, as  
16 amended by Section 6, Chapter 217, O.S.L. 2013 (43A O.S. Supp. 2015,  
17 Section 5-419), is amended to read as follows:

18 Section 5-419. A. The court may modify an order for  
19 involuntary inpatient commitment and order alternative treatment  
20 pursuant to the provisions of this section upon request of the  
21 person committed or the administrator of a facility to which a  
22 person has been involuntarily committed for inpatient treatment.

23 The court shall give notice to the person affected thereby and to  
24 each individual required to receive notice pursuant to Section 5-412

1 of this title, to appear within five (5) regular court days, or as  
2 many other days as the court may grant, and show cause why the  
3 modification shall not be made. The notice shall contain the  
4 following information:

5 1. The individual ordered to undergo a program of alternative  
6 treatment to hospitalization is not complying with the previous  
7 order, or that the alternative treatment program has not been  
8 sufficient to prevent harm or injury to the person or others, or the  
9 person committed for inpatient care and treatment is eligible for  
10 discharge and that an evaluation conducted prior to discharge  
11 determined that an order for alternative treatment is necessary in  
12 order to prevent impairment or injury to the person;

13 2. A statement of the facts upon which the alleged change of  
14 condition is based and a copy of any written findings entered by the  
15 court;

16 3. Notice of the time and place of the show cause hearing;

17 4. Notice of the types of modifications that the court can make  
18 pursuant to this hearing;

19 5. The witnesses who shall testify or offer evidence for the  
20 modification which are known to the court;

21 6. That the individual has the right to an attorney, and that  
22 if the individual cannot afford an attorney, one will be provided;  
23 and

24

1 7. That the individual has the right to cross-examine  
2 witnesses, and to call witnesses in such person's own defense.

3 B. The court may only order assisted outpatient treatment as  
4 defined by Section 1-103 of this title if the person meets the  
5 conditions for assisted outpatient treatment provided by this title.
