Principal Authors: Representative Newell
Senator Treat

General Subject Matter: Public Finances

General Description of **Major Differences** between the current report and the version last seen and voted on in the House and the sections in which such differences are located:

√ Changes from engrossed House measure which were made in the Senate and contained in conference committee report/substitute (applies *only* to House measures):

The conference committee report kept Senate Amendment number one that inserted the words “except for those funds established pursuant to Section 3901 of Title 70 of the Oklahoma Statutes” after the word “funds” on page one, line nineteen.

√ Changes made in conference:

The conference committee report removes paragraphs B, C, D, and E from the Engrossed House Bill.

The measure adds a new paragraph B that directs the Director of the Office of Management and Enterprise Services to make a report including any recommendations regarding the revolving funds of each agency and is directed to issue a report to the legislative leaders and the standing House and Senate committee responsible for the analysis of administrative rules.
