

SENATE CHAMBER

STATE OF OKLAHOMA

DISPOSITION

FLOOR AMENDMENT

No. _____

COMMITTEE AMENDMENT

(Date)

Mr./Madam President:

I move to amend the Committee Substitute for House Bill No. 2797 as follows:

On Page 2, line 18, by deleting the word “require” and inserting the words “make available to”; and

On Page 2, lines 22-24: By deleting the sentence beginning with the word “The” and ending with the period; and

On Page 3, line 2, by inserting a new Section 3 to read as follows:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-752 of Title 63, unless there is created a duplication in numbering, reads as follows:

The State Department of Health shall:

1. Develop and make available materials designed to provide accurate, scientifically verifiable information concerning the probable anatomical and physiological characteristics of the unborn child at two-week gestational intervals. The Department may utilize as a resource the material dealing with "Characteristics of the Unborn Child" created pursuant to Section 1-738.2 of Title 63 of the Oklahoma Statutes and as located on the website, www.awomansright.org;
2. Develop and distribute educational and informational materials to provide public information through public service announcements, media and otherwise for the purpose of achieving an abortion-free society. Such materials shall be developed from the most readily available, accurate and up-to-date information and shall clearly and consistently teach that abortion kills a living human being;

Secondary Amendment

3. Provide technical assistance to help community-based organizations in the planning and implementation of abortion prevention, alternatives to abortion referral and unborn child humanity education programs;
4. Provide outreach, consultation, training and alternatives to abortion referral services to schools, organizations and members of the community;
5. Distribute educational and informational material concerning maternal behavior during pregnancy which is helpful to a human child in utero, including avoidance of tobacco, alcohol and other drugs; proper nutrition and prenatal vitamins; and utilization of and resources available for prenatal medical and wellness care; and
6. Recommend to the State Department of Education scientifically verifiable information concerning the unborn child in the educational standards of science, family and consumer sciences and health classes.

And by amending the title to conform.
