20 Program funding.

22 with state and local emergency management agencies and private
23 parties establishing procedures for complying with Section 31502(e)

8 350.345 of Title 49 of the Code of Federal Regulations if the
9 waiver, variance, or exemption does not result in the loss of
10 federal Motor Carrier Safety Assistance Program funding and does not
11 take effect unless approved by the United States Department of
12 Transportation, if approval is required.

13 SECTION 2. It being immediately necessary for the preservation
14 of the public peace, health and safety, an emergency is hereby
